Colonel W. P. O'Brien,  
c/o O'Brien & Williams,  
Montreal, Que.

My dear Colonel O'Brien:

Another time you have done us an excellent turn and I want to thank you very warmly. It was through you Mr. Naylor made the connection which helped to land him the business, if, indeed, it did not actually do the landing itself. Mr. Naylor says you were exceedingly kind to him, and in this you were only acting as you always do.

Sincerely hope I can be of use to you some time.

Yours very truly,

AM/E.

President.
