On behalf of honourable members of the official  
 opposition, I desire to convey to the Prime Minister and to  
 honourable gentlemen opposite the expression of our  
 sympathy in the loss which they have sustained in the death<sup>of fellow members</sup>  
 of one who for many years was prominent as a member of the  
 Conservative party in the Province of Ontario.

In the appreciation which he has just expressed of  
 the late member's career, the Prime Minister has reviewed in  
 a fitting manner Mr. Lennox's services, alike to his  
 profession and to the state, and I join with him in  
 recognition of the late member's talents and abilities  
 and of his patriotic services at the time of the Great  
 War, to which special reference has been made.

As one who, for a short time, had the honour of  
 representing the constituency of North York, I have knowledge  
 of the considerable personal and political following which  
 the late member enjoyed in that riding, and I should like  
 to avail myself of this opportunity to express to Mr.  
 Lennox's friends and supporters in the constituency my  
 sympathy with them in the death of one to whom, over a  
 period of many years, they had given so large a measure  
 of their confidence.<sup>and support</sup>
