Ottawa 17th November, 1908.

116

Sir,

The Department has noted your remarks regarding the need for a new single harness at your Agency. In view of the fact that you purchase privately a suitable article, such as described, at a low rate, the Department will allow you to issue a voucher in your own favour for the harness which should be then turned over to the Agency.

Your obedient servant.

For Lewis
Secretary.

W.G. Blewett, Esqr,

Indian Agent,

Kamsack Sask.
