

November 20, 1914.

Dear Sir,

I am in receipt of your letter of the 16th instant. When I wrote first to the Attorney General I urged acquiescence in your appeal to have these Indians discharged from custody. I am to-day taking the matter up with the Department of Justice and asking them to advise me as to what action I could take to support your views.

Yours truly,

*Duncan Chisholm*  
Deputy Superintendent General.
