Ottawa, June 19, 1919.

Sir,-

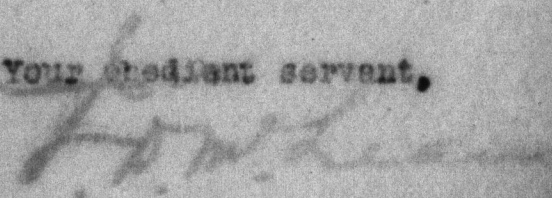

I have to acknowledge the receipt of a requisition for supplies for the Keys Day School, and in reply I beg to say that the scribblers, pencils, readers, crayons and blackboard eraser will be ordered from the Government Stationery Office.

You may purchase one agate wash basin for this school and a football bladder will be purchased here and forwarded to the teacher's address.

Kindly advise the Department whether there is a flag pole at this school and, if not, whether the Indians would be willing to erect one.

The Department is not prepared to supply the other articles asked for in this requisition.

Your obedient servant,

Asst. Deputy and Secretary.
