

Plea of mitigation in the case of  
F4 5750 Pte Diamond, F.S.

This man joined the army in  
1941. He served for 2 years  
with the Pictou Highlanders.  
He came over to England last  
year and only recently arrived  
in this theatre. He has  
expressed to me a desire to  
join his unit as soon as  
possible and I respectfully  
suggest that if the Court  
can see fit to give him  
a minimum sentence he  
can best serve his country  
at the front.
