At a brief service conducted by the Rev. Canon Macnab, and at which Archdeacon Sweeny was present and gave a short address, the memorial plate given by the Congregation as a lasting testimony of regard for Mr. Kemp, was put in its place, and at the same time a choir plate in memory of the late Mr. George Parker, was placed upon the seat which he occupied ; and a stall plate, given by an unknown donor, in memory of

the late Archdeacon Langtry, and so inscribed with his arms and badges of office, was affixed to the (temporary) stall of the Archdeacon of York.

The Choir plate is uniform with those previously placed and is inscribed simply, "George Parker, Chorister Died 8th May, 1907, aged 73."

The Kemp plate is decorated with the arms of the family, richly executed in metal and enamel and has the following inscription :

"In memory of DAVID KEMP, U.E.L., an officer in the Royal Engineers, Works Department, (rank equal to Captain) who served efficiently and gallantly at Detroit, Fort Malden, and elsewhere in 1812 : Died 1842 aged 72. Also of ANDREW KEMP his son, who served with his father (rank equal to Lieutenant) in 1812, and as Captain of Essex Militia in 1837. Born 1800, Died 1887.

Erected by members of the Congregation of this Cathedral in grateful recognition of the valuable and unremunerated services of DAVID KEMP, son of the above Andrew Kemp, as choirmaster from 1893 to 1907."

After the conclusion of the service, a handsome grandfather's clock was presented to Mr. Kemp, Mr. Hall being the spokesman on behalf of the Congregation, and a portrait of Mr. Kemp, intended for the Cathedral Chapter House, was exhibited.

An almost bewildering combination of tea tables, with waiting maids such as one may meet no where else, booths presided over by smiling ladies and attended by many merry maidens, for the distribution of refreshments and many other things, all in a setting of velvety green sward surrounded by magnificent trees and bedecked with shubbery, was what Mrs. Arthurs provided for the entertainment, given by her at Ravenswood on the afternoon and evening of 25th June, in aid of the "talent money" of the Cathedral Ladies' League. As the shades of evening drew on, Chinese lanterns, with a splendid moon in the background which looked as if it had been put there to accompany the lanterns, and brilliant lights in the foreground, lighted up a fairylike stage upon which about a hundred children, arranged in a number of groups, each differently costumed, performed fairy dances. Mrs. Arthur's cleverness in arranging such entertainments is so well known that we need not say more than that her Sylvan Fete on this occasion fully displayed the skill in designing, arranging and carrying out such things for which she has no equal in Toronto. The attendance on Tuesday afternoon and evening was very large and the weather perfect. The entertainment was repeated on a smaller scale on the following evening, by request, when a most disappointing change in the weather made matters less successful than on the previous day, but, even so, it was a most pleasant entertainment, and the attendance fully as large as could be looked for on an unpropitious day. We have as yet no information as to the amount realized, but do not doubt that it will prove to be a goodly sum.

The Members of the S. Alban's Cathedral League wish to convey their sincere thanks to all those who so generously responded to their appeal to make the Sylvan Fete at Ravenswood so great a success.

Any returns coming in after July 1st must be sent by mail to Mrs. Clarke, 25 Bedford Road.
