THE COUNTRY GENTLEMAN

The "Cultivator & Country Gentleman," is published in large weekly Numbers of 16 to 20 pages each, and designed to include Every Department of Agriculture, Stock-Raising, Horticulture and Domestic Economy.

The Publishers prefer using the following extracts from well-informed sources, rather than to speak for themselves:

The "Maine Farmer" speaks of The "Country Gentleman" as "Standing at the Head of the Agricultural Press of the Country."

The "Scottish Farmer" calls The "Country Gentleman" "The Best of all the American Newspapers devoted to matters of Rural Economy."

The "Gardner Monthly" say that The "Country Gentleman" is "Conducted with a Degree of Talent equal to any European journal, and superior to most of them."

The "Farmers' Advocate" of Canada says: "We are in receipt of Agricultural publications from various parts of the world, but for truthful accounts, well written practical articles, and general management of the paper, we have seen none at all to compare with The "Cultivator & Country Gentleman," published in the United States.

TERMS:—The terms are lower than those of any other paper of similar standing: One copy, \$2.50 per year; Four copies \$9; Eight copies \$18.

SPECIMEN COPIES FREE OF CHARGE.
