ONE TO FOUR TONS PER YEAR.

To W. A. FREEMAN & Co., Hamilton, Ont. North Oxford, Ont.  
 DEAR SIRS,—Having used from ONE TO FOUR TONS per year of your SURE GROWTH FERTILIZER for wheat, oats, corn and mangels, for the last six years, with good success, I also find it an excellent thing for seeding down with, and can heartily recommend it to any person who wishes to make farming a success.  
 I remain, Yours respectfully,  
 (Signed) GEORGE RAYMOND.

CAN TELL TO A DRILL MARK WHERE IT WAS USED.  
 WM. ARMSTRONG, Locust Hill:—"Purchased one of your SURE GROWTH Fertilizers last spring. Used it on barley and corn, and can see to a drill mark where it was used, especially in the barley, it being stronger growth and will ripen some days before the part of the field where none was used. I am pleased to place my order for one ton more."

**LONDON FENCE MACHINE Co., London, Ont.**  
 GENTLEMEN,—The machine we purchased from you last fall worked well. We built about 30 rods of fence, and are well pleased with it. The machine has given us every satisfaction. It weaves fast, and works easy and well. We can build a better fence for less money than any factory fence made. There have been a number of persons looking at it, and all consider it a splendid fence and a perfect machine. We wish you every success.  
 Yours very truly,
