

Did You See the National?

The fall fairs are now nearly over, and the NATIONAL has been the center of attraction at all of them. There were many separators shown, but the NATIONAL

them all. Did you notice its close skimming, its construction and its easy running? With all its superior points of merit, no wonder it attracted so much attention at the fairs. In a letter to the "Advocate," Wm. Chalmers reports the following sales: "To L. T. Courtice, of Wawanese, Roan Mary, Vol. 19, sired by Aberdeen 2nd, a large, fine cow, heavy in calf to Banks o' Don (Imp.); also Lady Eglington 2nd, a thick, blocky heifer, also in calf, and a fine roan heifer, Queen of the Pasture, by Banks o' Don (Imp.), dam Marabell, by Aberdeen (Imp.), and Laura Don, by Banks o' Don, dam Jenny Barmpton; to W. J. Armstrong, Boissevain, Man., the imported bull, Banks o' Don, an animal of the best Scotch breeding. I have now Strathallan Beau, purchased at Hon. M. H. Cochrane's dispersion sale, at the head of the herd."

MR. SORBY'S IMPORTED CLYDESDALES.

"Along with his own horses for Alberta," says the Scottish Farmer of October 31st, "Mr. Turner takes out on the Lakonia, sailing to-day, seven superior young horses for Mr. Oswald Sorby, Guelph, Ont. These are also from the Netherhall and Banks Stud, and constitute Mr. Sorby's third shipment inside of twelve months. Prominent among them is the famous prize horse, Elator (10340), one of the most successful prize and premium horses got by Baron's Pride. He was bred by Mr. Wm. Montgomery, from a particularly well-bred mare, Patricia (12383), which came from Edengrove. She was got by the Prince of Wales horse, Patrician (8095), which won first at Ayr when a three-year-old, and her grandam was one of the high-priced Challenger mares at Mr. Brockbank's sale. Elator himself was first at Kilmarnock when a three-year-old. He had the West Lothian district premium in 1899 and 1900, the Strathearn (Central) premium in 1901, the Lower Ward of Renfrewshire in 1902, and the Vale of Alford premium in 1903. Another Baron's Pride horse shipped is Baron Bombie (10498), own brother to the Cawdor Cup champion mare, Lady Victoria, and for several seasons past stud horse at the Royal Farms, Windsor. He won first prize when a yearling and two-year-old at the principal shows, and is a thick chunk of a horse, with good feet and limbs. A third horse which goes to Mr. Sorby is Lord Harry (11097), winner of second prize at Ayr when a two-year-old, and other prizes also. This thick, wide, heavy horse was bred at Glamis by Lord Strathmore, and his sire was the celebrated Sir Christopher (10286), the H. & A. S. champion horse at Glasgow in 1897. Lord Harry is as well bred on the dam's side as any horse can well be. His great-grandam was the famous Princess Alice (6626), which won many prizes in Scotland in 1884 and 1885 as the property of the Duke of Portland. The intermediate generations are full of prize blood. Of the same age is the Strathord, Scone, and Murthly premium horse of this season, Battle Axe (10984). This is a thick horse, of true cart-horse type. He is bound to be popular in Canada, where his sire, Prince of Quality (10416*), if we mistake not, was champion at Toronto. His dam was got by the Glasgow prize horse, Knight o' Ellerslie (3737), a son of Prince of Wales (673). A capital three-year-old horse is Prince Everard (11849), almost full brother to the Rhin premium horse of 1903, and the Mid-Calder premium horse of 1904, Alexander Everard. He was got by that good breeding horse, Gay Everard, and his dam was Mr. St. Clair Cunningham's prize mare, Princess of Adniston (13758), by the champion Prince Alexander (8899). A two-year-old horse by the champion Sir Christopher (10286), and a thick, powerful three-year-old horse bred in Cumberland complete this very valuable selection of Clydesdales. Along with them there goes a first-class Hackney colt of superior and approved breeding."

GIVE YOUR STOMACH A NICE VACATION.

Don't Do it by Starving It. Either—Let a Substitute Do the Work.

The old adage, "All work and no play makes Jack a dull boy," applies just as well to the stomach, one of the most important organs of the human system, as it does to the man himself. If your stomach is worn out and rebels against being further taxed beyond its limit, the only sensible thing you can do is to give it a rest. Employ a substitute for a short time and see if it will not more than repay you in results.

Stuart's Dyspepsia Tablets are a willing and most efficient substitute. They themselves digest every bit of food in the stomach in just the same way that the stomach itself would, were it well. They contain all the essential elements that the gastric juice and other digestive fluids of the stomach contain and actually act just the same and do just the same work as the natural fluids would do, were the stomach well and sound. They, therefore, relieve the stomach, just as one workman relieves another, and permit it to rest and recuperate and regain its normal health and strength.

This "vacation" idea was suggested by the letter of a prominent lawyer in Chicago. Read what he says: "I was engaged in the most momentous undertaking of my life in bringing about the coalition of certain great interests that meant much to me as well as my clients. It was not the work of days, but of months. I was working night and day almost, when at a very critical time my stomach went clear back on me. The undue mental strain brought it about and hurried up what would have happened later on."

"What I ate I had to literally force down, and that was a source of misery, as I had a sour stomach much of the time. My head ached, I was sluggish and began to lose my ambition to carry out my undertaking. It looked pretty gloomy for me, and I confided my plight to one of my clients. He had been cured by Stuart's Dyspepsia Tablets and at once went down to a drug store and brought a box up to the office."

"I had not taken a quarter of that box before I found that they would do all the work my stomach ever did; and as a rest or vacation was out of the question for me, I determined to give my stomach a vacation. I kept right on taking the tablets and braced up and went ahead with my work with renewed vigor, ate just as much as I ever did and carried out that undertaking to a successful issue. I feel that I have Stuart's Dyspepsia Tablets to thank for saving me the handsomest fee I ever received, as well as my reputation, and last, but not least, my stomach."

Stuart's Dyspepsia Tablets are for sale by all druggists at 50c. a box.

Eating Became a Dread.

HOW MANY PEOPLE ARE ALMOST AFRAID TO SIT DOWN TO THEIR MEALS?

YOU MAY BE ONE OF THEM. IF YOU ARE, THERE IS A CURE FOR YOU.

BURDOCK BLOOD BITTERS

CURES INDIGESTION, DYSPEPSIA, BILIOUSNESS, SOUR, WEAK AND ALL STOMACH TROUBLES.

Mr. J. G. Clunis, Barney's River, N.S., tells of what this wonderful remedy has done for him:—It is with gratitude that I can testify to the wonderful curative powers of B.B.B. I was so badly troubled with indigestion that whatever I ate caused me so much torture that eating became a dread to me. I tried numerous physicians, but their medicines seemed to make me worse. I thought I would try B.B.B., so got a bottle, and after taking a few doses felt a lot better. By the time I had taken the last of two bottles I was as well as ever, and have had no return of the trouble since. I recommend your medicine to the highest degree. B.B.B. is for sale at all dealers.
