A GOOD HEAD FOR BUSINESS. "I want a hat-pin," said little Mary of four years, as she gazed eagerly at the cushion full of sparkling ornaments on the milliner's showcase. "How much is it?" she asked, after making a very deliberate choice and laying her purchase money, a bright penny, on the counter. "Oh, nothing," returned the kind-hearted Mrs. Briggs, as Mary's mother was one of her regular customers. Imagine her amusement as the little "bargain-hunter" said most eagerly, "I'll take two, then." The Delineator.

After a day with the mower, the binder or the threshing machine you can get the grease and grime off your hands in a minute with "SNAP".

GOSSIP.

Official records of 161 Holstein-Friesian cows were accepted by the American Association from May 16th to June 1st, 1911. This herd of 161 animals, of which over five-eighths were heifers with first or second calves, produced in seven consecutive days 61,792.1 lbs. of milk, containing 2,121.927 lbs. of butter-fat, thus showing an average of 3.43 per cent. fat. The average production for each animal was 383.8 lbs. of milk, containing 13.18 lbs. of butter-fat, equivalent to 54.8 lbs. or 26 quarts of milk per day, and 15½ lbs. of the best commercial butter per week. During the late spring, many factors that put owners of cows making tests to much disadvantage, cut down the averages for these reports; yet, with over five-eighths of this herd as young heifers, they made a showing such as is seldom seen for the time of year, and such that every Holstein-Friesian owner will take a personal pride in calling the attention of his friends to the results. The pride that these breeders have in their cattle rests on a sure foundation.

CLYDESDALES OF ROYAL BREEDING

Although only about four years out from Scotland, John Semple, of Milverton, Ont., has established a big trade in Clydesdales, extending practically from end to end of the country. His rapid rise to a level with the older importing firms in Canada is accounted for by the fact that he is a Clydesdale man from boyhood, born and brought up amongst them, and knows a Clyde as well as most men, and besides being an expert judge, is conversant with all the breeders in Scotland, and knows just where to pick up the good ones at first cost, hence is in a position to sell a little cheaper than some others in the business. His 1911 importation of stallions and fillies is now at his stables, a big, drafty lot, full of character, particularly good at the ground, and bred most royally. Cadzow [11431] is a bay stallion, three years old, sired by the invincible Hiawatha, dam by the Glasgow prize horse, Lord Fauntleroy, grandam by the Highland and Agricultural Society Show second-prize horse, Springhill Danley. This is a big colt, that will easily weigh the ton when developed, and stands on the best of feet and legs. He is one of the best colts in the country. Cambushinnie Crest [11982] is a bay three-year-old, by the renowned Baron's Pride, dam by the £3,000 Prince of Albion, grandam by the Highland and Agricultural Society Show champion, Rosedale. This is breeding unexcelled, and he is a colt worthy of his great breeding, being big and very smooth, remarkably even from end to end, and has a splendid quality of underpinning. He is a right good colt. Cambushinnie Squire [11983] is a brown three-year-old, by the great and renowned Royal Favorite, dam by Prince of Albion, grandam by Markeslie. He, too, has great size, with a clean, flat bone, and is a coming high-class horse. Probably the best, or, at least, one of the very best colts in Canada to-day, is the bay-roan two-year-old, Popinjay [11984], by the third-best sire in Scotland, Royal Favorite, dam by Dunure Blend, whose dam is the grandam of the great unbeaten Dunure Footprint, grandam by Theakston. This colt is a marvel, combining style and quality with size, and moves faultlessly. In fillies, there are several to select from, as well as some older ones. All are in foal. Polly of Poddick 19715 has a horse colt at foot, by Dunure Castle; she is, by Dunlandrig, Hollyguard's Queen 25800 is a four-year-old, by Gallant Fauntleroy. Gigot 25799 is a three-year-old, by Royal Fashion. Mary McKeech 23112 is a seven-year-old, by Royal Favorite, Flash Ellen 23037 is a two-year-old, by Royal Favorite. Others are by Royal Favorite, Lord Lowther, Royal Fashion and Royal Times. Parties wanting a Clydesdale mare or filly should get in touch with Mr. Semple, as his prices are right, and so are the horses. He also has on hand a bay four-year-old Shire stallion, Prince of Burgeon (imp.) 687, by King Burgeon. He is extra good, and is also for sale.
