time as in Victoria. He was replied to by Hon. Atty. General and others ; after which, Hon. Mr. Howe stated that the election in

Kings would be held on the 4th June next. The House adjourned until 3 o'clock.

House resumed at 3 o'clock. Hon Mr. Howe, from the Post Office Com-

mittee, reported. Mr. Morrison, from the Committee on Navigation Securities, reported.

He also laid on the table the petitions praying for a dissolution, asked for by the member for Cumberland, Mr. Colin Campbell explained the

stances of the case of Mrs. Rice, who had lost $\pounds 25$ in the post office, whose claim had been re-

Mr. Henry moved that that portion of the re-

port which referred to a scale of postmasters' salaries be not received, and that the system be continued-which was lost 24 to 10. A bill relating to executive and legislative dis-

abilities, was read a third time. Hon Mr. Johnston moved that the bill be deferred for three months : for the motion 20 :

Dr. Tupper moved a resolution for the issuing of a new writ for East Pictou, in consequence of the acceptance by George McKenzie, Esq., M. P. P., of an office as one of the Board of Examiners of Shipmasters-being an office of emolu-

ment under Government. On the question being taken, there -for the resolution 21; against it 24. Dr. Tupper then moved that the house receive

testimony at the Bar, touching the appo of Mr. McKenzie to the office referred to

For the motion, 19; against it, 22. Hon. Mr. Howe, from railway committee, ported a bill relating to railways.

ported a bill relating to railways. Mr. Henry moved in amendment, a resolution abolishing the railway office in Granville street, and transforming the duties to the Board do in the interval of the interval. and transferring its duties to the Board of Vorks.

Hon. Prov. Secretary replied. The House then went into committee on the bill and passed

The committee having risen and reported, the on Prov. Sec. laid on the tables a communica-on from the Governor of P. E. Island, with rehon Prov. Sec. laid on the tables a communica-tion from the Governor of P. E. Island, with reand to light houses; also, a letter from Dr. Mc-Leod and John Ferguson, of Sydney, in refer-ence to a petition presented some time ago, and referred to the government.

referred to the government. Hon Prov. Sec. also gave notice of a resolution in reference to the representation of Nova Scotia at the Great Exhibition in 1862.

Mr. Townsend called the attention of the Speaker to the fact that there was no quorum

present. The house was accordingly counted, and but 23 found to be present. The house therefore stood adjourned until 10 o'clock the the next day .- 1b

Among the many restoratives which nature has supplied to relieve the afflictions of humanity, there is no more favorite one for a certain class of dis-

room of the Province Building, for which Mr. Thomas Dewolfe had obtained a patent. After some further conversation the subject

dropped. A bill to amend the act relating to the con-struction of Railways was read a third time. Hon. Attorney General moved a clause by way

of rider. After which the bill passed 28 to 16.

Mr. Longley, from the committee on Temper ance, reported at length.

After some complimentary remarks from Mr. Harrington, Mr. Tobin, and the Atty. General the report was received and adopted. Hon. Mr. Johnston moved that a number of

copies be printed. Agreed to. Mr. McLellan, from committee on Road Damages, reported. The hon. gentleman also reported from committee on Humane Institu-

Dr. Tupper expressed the pleasure he, in common with the rest of the Committee, had re-ceived from the inspection of the Institution of the Deaf and Dumb. Everything in connection with that[®] establishment, reflected the highest credit upon all concerned. He alluded to the necessity which existed for a new school room, as from the want of room, they were obliged to as, from the want of room, any that purpose-use some of the dormitories for that purpose-this was injurious to the health of the pupils, be able to afford assistance to that very desirable

object. Hon. Mr. Howe announced to the House that a telegram just received at the Merchants' Reading Room, it appeared that Fort Sumpter had been attacked, and was bombarded all day vesterday. He alluded at some length to the deep regret he felt at this melancholy news, so injurious to the interests of the civilized world.

He was followed to the same effect by the hon. Mr. Johnston, Dr. Tupper, Mr. Harrington, Atty. General, Mr. Henry, and Mr. Tobin.

passing some resolution expressing their sympa-thy in the calamities which have befallen the neighboring States. Hon. Mr. Howe agreed to do so.

On the reading of the clause of the Post Office

to its publication, the proposed division lines between the Counties be defined. Hon. Mr. Howe said it was his desire to give

every information on the subject. The resolution was laid on the table.

House adjourned until 3 o'clock. MONDAY, April 15.

MORNING SESSION.

House met at 10 o'clock.

Mr. J. McDonald moved the resolution introduced by him on Saturday, in relation to the extension of the Picton railroad. After some de hate.

Mr. Grant moved that the House resolve self into committee on the general state of the Province, in order to allow the honble. Speaker

Among the valuable measures matured by your joint deliberations, I am gratified to per-ceive a bill for suppressing corrupt practices at elections, and for securing that independent ex-ercise of the franchise, without which there can be no true freedom, and no security that public opinion will be duly represented in the Legisla-

I have not failed in forwarding to Her Ma-

jesty's Government your addresses on the impor-tant subject of the deep sea fisheries, and the Inter-Colonial Railroad, to express the hope that Sumpter.

these questions will be considered with the care which the strong integest you have professed in them would seem to warrant.

f them would seem to warrant. In releasing you from your legislative duties, I trust that you will bear with you to the com-munities in which you reside, and to the dis-tricts you represent, a full conviction of my sin-cere desire to promote the happiness of all Her Majesty's subjects confided to my care, and of my determination to govern this country with impartiality and indemoderate.
