

EDITORIAL NOTES.

Examiners, Probationers, and Candidates, will please notice the time and places for Spring Examinations, as per advertisement.

We publish this week an obituary of some length—though it has lost considerably in dimensions by passing through the press. Let any may take license from the extent of this obituary, we should say that "Father Tuplin" was one of God's noblemen, and deserves a record corresponding somewhat with his devotion to Methodism and Christ.

Rev. S. F. Huestis and wife beg to acknowledge the great kindness of their friends in Windsor, for the liberal donation presented to them on Saturday last, March 27th.

(Mr. and Mrs. Huestis left on Monday for an American tour. They have well earned rest and recompense. Ed. Wes.)

Deceased was a member of the English Church; and during her sickness was supported by divine grace. She died very happy in the blessed assurance that she was going to be with Christ which is far better. Her mourning friends sorrow not as those without hope. Morning Herald please copy.

The ROTHSCHILDS made a very good thing in negotiating for the British government the purchase of the Suez Canal shares. They advanced \$20,000,000 to pay for the shares, for which they receive a commission of two and a half per cent. (\$500,000), and are to have five per cent. interest on the \$20,000,000 until the government repays it. The interest for three months will be about \$250,000, so that for the advance and interest they will gain \$750,000. Add to this certain incidental profits made by the purchase of Egyptian securities when they were at their lowest, and it is believed that on the whole transaction they will clear a round million of dollars.

A. PRIDHAM, Esq., Greenville, P. Q., writing for another supply of GRAHAM'S PAIN ERADICATOR, says: "It still keeps its good name here, and the demand is steady. Your old friend, Mr. A. Dewar, still continues free from Rheumatism." This gentleman is over ninety years of age, and was for many years a great sufferer from Rheumatism until he used Graham's Pain Eradicator more than six years ago, and was cured by less than two bottles.

PULMONARY BALSAM.

THIS standard remedy for coughs and colds and other pulmonary and bronchial ailments, was first put before the public in 1826 and ever since then, a period of half a century it has maintained and increased its reputation. In the meantime, probably thousands of the so-called cough remedies, under every conceivable name, have appeared, been puff'd, had their day and most of them sank into the oblivion from which they never should have emerged to cheat invalids with false hopes of cure. Though no infallible virtues are claimed for this medicine, it is just to say that it possesses the following excellencies: 1. On many cases of cough it exerts an almost specific remedial influence, and the cases are very few which it quite fails to benefit. Long standing cases and those of aged persons are almost always greatly relieved. 2. Its action is speedy and pleasant; its taste is not disagreeable; and its dose is small. The last point is sure to be appreciated by the invalid. 3. It has received medical sanction, and has been frequently prescribed by some of our leading Physicians. Add to the above that, when the smallness of its dose is considered, it is even cheaper than the common cent cough Drops and Syrups, of the Druggists. This remedy has held its own and attained its present reputation by its own merit, with little aid from advertising. It has an established sale, and those who know it will always use it when they need such aid. But while our climate remains what it is, the army of sufferers from throat and lung complaints will always be a large one, and continually reinforced by new recruits. That all such may be acquainted with this reliable medicine is the aim of this advertisement. Price 50 cents and \$1.00 per bottle. CUTLER BROTHERS & Co., Proprietors, Boston.
