## Quicken Your Service

Modern stores cannot afford to have aisles crowded with impatient customers. People demand quick service. They do not excuse old methods.

With National receipt-printing registers in small purchase departments, change is made instantly. There is no waiting for money to return from some distant part of the store. There are none of the old delays or mistakes.

Your customers are satisfied, your sales-people can sell more goods, and you can make more money.

Ask us to send our representative to study the needs of your store.
