**Your Profit in Selling Salt**

depends for its *real* value upon the length of time that you hold the trade of the customer who buys it of you. The permanent customer pays you the biggest profit in the end. Salt is a small item, but it is just one of these "small items" that holds a customer's trade.

**Windsor Salt**

is absolutely free from all impurities—it is a free-running, white, perfectly crystalized Salt that never varies from the one high standard that has made it famous as the "Salt of Quality." With it you can hold the trade of the most particular woman that ever lived. Leading wholesalers sell it.
