

Prepared for Big Business

*With our new warehouse in Winnipeg and warehouses in Regina and Calgary, filled with your needs you can have what you want, when you want it. **QUALITY, PRICE, SERVICE** are the very foundation stones upon which our big new Farm Machinery and Supplies Building has been built*

We can supply you with implements and necessities for every farm purpose.

Plows

For every kind of job, steady and enduring.

Discs

Of any size, and all dependable.

Cultivators

The ordinary spring tooth or our special Forkner in sizes and at prices to suit any purpose.

Drills

Strong, reliable implements that put the seed in on time.

Packers

Surface and sub-surface. We can furnish in any size.

Gas Engines

From 1½ h.p. up. Quality made machines that are long lived and give continuous good service.

The new G.G.G. Farm Machinery and Supplies Warehouse at Winnipeg, filled with a stock of machinery from which we can ship out the moment we get your order

Everything you order will pass the test of quality, price and early shipment.

Wire Fencing

Full gauge, heavily galvanized, carries our unconditional guarantee.

Buggies

In many styles, sizes and prices to suit every purpose.

Wagons

Strongly made from the best of materials by good workmen.

Sleighs

Well made and strong. Every set fully up to G.G.G. standard.

Washing Machines

That save the housewife a lot of needless effort.

Sewing Machines

Genuine high-class machines that hold their own alongside the higher priced ones.

There is no better time in the year than the present for ordering your machinery and supplies. You have the time now to give careful thought to every purchase. The stock in the new building is complete in every detail—and prompt service is made a part of every order. Besides the few lines mentioned above, we can supply you with harrows, manure spreaders, corn and potato machinery, hay rakes, mowers, harness, scales, pumps, incubators, lumber, cement, builders' supplies, binder twine, coal, flour, salt and so on.

We sell for cash—high interest and advanced prices to cover the other fellow's delinquency have no place in co-operative trading—you benefit.

No attempt is made to undersell all competitors, but The G.G.G. Co. have cut the margin between manufacturers' cost and selling price to you down to next-to-nothing. First and foremost comes quality.

Look this farmers' company square in the face. See where you benefit. Send us your orders for your farm needs.
