

THE NINTH ANNUAL TORONTO FAT STOCK SHOW
UNION STOCK YARDS, TORONTO
DECEMBER 5th and 6th, 1918

The management of the Show wish to announce the following changes over previous shows:

There will be no classes for female cattle. All stock entered must be owned by the exhibitor at least ninety days before opening date of show.

In addition to single cattle classes there will be classes for three animals.

Premium List will be ready for distribution August 1st.

Wife—I have read somewhere that even flowers and fruit have sex. Was—sure. Doesn't it stand to reason that a peach is always feminine?

Two Classes of Debt.

While it is widely known that an airplane can be heard for some distance off on land, on water the airplane can be heard for some distance. The airplane is a most interesting and useful invention. It is a most interesting and useful invention. It is a most interesting and useful invention.

Hard to Hear Airplane at Sea.
