

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the blood is in proper condition. Correct any constipation by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

DOCTORS USING PATENT MEDICINES

The Honest Physician is Anxious
to Cure and Uses the Best
Available Remedies.

The proposed legislation through
the Dominion Parliament for the reg-
ulation of the manufacture and sale
of patent or proprietary medicines is
of the utmost importance, and it is
receiving a great deal of attention,
not only by the proprietary medicine
manufacturers, but also by the leading
doctors and druggists. Every manu-
facturer of reliable and high class
remedies welcomes the bill as a step
in the right direction. The discussion
has brought out the fact that the best
physicians in Canada and on the con-
tinent approve of and prescribe Psy-
chine in cases of the most difficult
character. In a recent instance of
very serious throat and lung trouble
the patient had been using Psychine.
Two leading United States specialists
were consulted, in addition to two
eminent Canadian physicians. Upon
learning what the patient was using,
a sample of Psychine was taken and
analysed, with the result that the
physicians advised its continuance.
They prescribed no other medicine but
Psychine, with the result that the pa-
tient has fully recovered and is a
splendid walking and talking adver-
tisement for the wonderful curative
power of a remedy that will "stand
up" before the keenest professional
criticism and analysis. As a builder
up of the system and restorer of all
wasted conditions, Psychine has no
equal, and the best and most earnest
physicians recognize this fact.

"At the age of 25 my lungs were in a terrible
state. I had a gripe the year before; it settled
on my lungs and I kept steadily growing worse
until I got down so low I was in bed for six weeks.
I had a consultation of doctors, and they said they
could do nothing more for me. They started to
use Psychine. I took the medicine for more than
a year. It certainly did wonders for me. I am
now as strong as I was before my sickness."

MRS. H. HOPE,
Morpeth, Ont.
Psychine, pronounced Si-keen, is the
greatest of tonics, building up the sys-
tem, increasing the appetite, purify-
ing the blood, aids digestion, and acts
directly upon the throat and lungs,
giving tone and vigor to the entire
system. At all druggists, 50c. and \$1.

One Ingredient of Zutoo

Is soda—just old-fashioned soda, that
our grandmothers took to settle the
stomach.
The principal ingredient—the one that
stops the headache, is a vegetable ingre-
dient, imported for us from Japan. It
won't hurt you any more than will the
soda.
The other ingredients of Zutoo are just
as harmless.
If you know what the drug cures con-
tain, and their ultimate effect on the
system, you would discard them at once
and take Zutoo, which is harmless as

Soda.

Death has again visited us and taken
from our midst the spirit of a little one
who was loved, not only by her parents
but by all who knew her. The subject
of this item, the eldest daughter of Mr
and Mrs Ed Ellis, Lillian, aged 10 yrs
and 7 months, passed away at their
home on Monday, May 13. Deceased
had not enjoyed good health for some
months past, and all efforts to restore
her to health seemed fruitless. Al-
though her suffering at times was
intense, yet the little sufferer never
complained, and her cheerful smiles
will not soon be forgotten by those
who cared for her to the last.

The funeral took place on Tuesday
to the Weir cemetery, following a
service conducted at the house by the
Rev. C. J. Curtis of Addison. The
pallbearers were Albert Morrison,
Melvin Logan, George Hicks and
Howard Richards, all of whom were
well known by Lillian. She is sur-
vived by two sisters and one brother,
besides her parents. The many friends
of the family wish to express their
heartfelt sympathy in this bereave-
ment, and trust that the parents may
realize that God is merciful even in
death.

Dear Sir—Being laid up with lame back, I
thought I would drop you a line to tell you
that your St. Rens Lumbago cure will do all
you claim for it, as I have only used part of the
bottle and I feel no returning symptoms of the
disease.

I may say I have been troubled with lame
back for the last ten years, and tried several

I can heartily recommend it to any troubled
