AN ATHENIAN VICTOR

The Reporter has pleasure in extending congratulations to Mrs J. R. Chambers of Markinch, Sask. (nee Miss Birdie Gainford of Athens) on her success in winning a \$3,000 cash prize offered by the Saskatoon Daily Star. Mrs Chambers was 602,500 votes ahead of her nearest competitor. In commenting on the contest, the Star says:—

During its entire period the contest was a most interesting one. The finish of each voting period marked an anti-climax. Then, every once in a while a candidate would spurt desperately to catch up. Mrs Chambers triumphed only after a hard struggle and after a thrilling fight, but she triumphed over opponents who proved themselves worthy of antagonists.

Residents of Athens on Sunday learned with regret that during Saturday night Mr John Freeman had received a stroke of paralysis. On awaking at 4 o'clock, Mr Freeman found that he was unable to arise and that his power of speech was gone. During the day he recovered somewhat and was able to converse in the evening. The paralysis affects his left side.

TOLEDO

July 4th.

On July 1st as customary the Baptists of Toledo held a social. Mr Henry Donaldson graciously allowed the use of his lawn, which was admirably fitted and arranged for the occasion. The attendance was the largest in years and the social or strawberry festival, properly called, was a decided success. Seventy-five dollars was taken in from sale of tickets and refreshments at the booth. The band was a great attraction, and a phonograph did good service. There was also a short program opened by the student pastor, Mr E. Stephens, with a few words of welcome and heartily thanking on behalf of himself and the church, all who had by presence and assistance contributed to the success of the social. Miss Violet Jones, Miss Quenie Brown, Miss Stella Montgomery and Mr Wilbur Chapman took part in the program.

DOMINION EXHIBITION PRIZE LIST

\$25,000 in Prize Money to be given away at Ottawa's Great Fair

The Dominion Exhibition prize list is out. It contains many interesting facts in connection with Ottawa's big Federal Fair, to be held from September 5th to 16th. Most interesting, of course, is the list of cash premiums, all increased 50 per cent, from the \$50,000 Dominion grant.

Live stock and farm produce departments have been thoroughly revised and liberal advances made, the total prizes to reach \$25,000.

One notices four prizes of \$75, \$60, \$45 and \$37.50 for the Thoroughbred stallions and \$60, \$45, \$30 and \$15 for the best mare and foal, in the same class. Premiums for Standard Bred stallions of all ages are considerably increased over last year and the 50 per cent. added besides. The position of Hackney horses has been improved by adding 4th prizes. Clydesdales are favored with \$250 from the Clydesdale Association and a \$650 challenge shield. Percherons become a complete class. The practical man will be pleased by the innovation of purses for general purpose horses hitched to vehicles and the same class, single.

Lack of newspaper space prevents enumeration of the improvements all through the departments of horses, cattle, poultry, swine, field crops and miscellaneous wares. The inducements offered cannot fail to bring entries from many new sources. The Central Canada Exhibition Association agrees to pay freight on all exhibits from beyond a radius of 100 miles of Ottawa. The booklet has a handsome cover, adorned with the Canadian coat-of-arms resting on a wheat sheaf and a factory wheel, and beneath all the

J. H. SINGLETON

Many in Leeds county will hear with unfeigned regret of the death which occurred on Wednesday last of Mr J. H. Singleton. The sad event occurred at his residence in Smith's Falls. Mr Singleton was the president of the Eastern Ontario Dairy-men's Association and a leading dairyman of Eastern Ontario. He was for some years president of the Brockville cheese board and weekly registered his fine combination. Before moving to Smith's Falls he was a resident of Newboro. He was a fine character and a man greatly respected. While at Newboro he was a member of the counties council and served in that body with dignity and ability.

Clover Seed

E. P. Bradt, Dept. of Agriculture, Morrisburg, writes to the press as follows:—It is well known, and has been proven that clover seed can be grown in this section. Many farmers in the past two years have obtained crops that have paid them well. When a crop of seed can be taken from a field in addition to the first crop of hay, that field is giving big returns per acre. In view of the probable scarcity of seed this season, every available field should be utilized for seed production, and those who secure a crop can be reasonably sure of a good price and a ready market.

1912 FARMERS' PRIZE CONTEST

WE held a contest last year in which 36 prizes were offered. This year there will be three times as many prizes (108) and therefore three times as many chances for you to win one of them. You do not have to use a large quantity of cement to win a prize. Many of last year's prize-winners used comparatively little cement.

THE contest is divided into three classes and in only one of these (Class "A") does the amount of cement used count in deciding prize winners. Class "B" is for doing the best concrete work (the size and not with those in all parts of Canada. This gives you the best possible chance to win a \$50 prize.

IT COSTS NOTHING TO ENTER—There are absolutely no "strings" to this offer. There is no entry fee or fee of tape to bother with. You can not lose, because the improvements you make of concrete in competing for the prizes will be more than worth their cost. We have a book, "What the Farmer Can Do With Concrete," that will give you all the information about the use of concrete you can need. It will be sent to you free when you ask us for complete particulars of the Prize Contest. Ask for particulars to-day. Just say "Send me, free, your book and full particulars of the 1912 Prize Contest," on a post card and mail it to-day. Address: Publicity Manager,

Farm for Sale

160 acre farm 9 1/2 miles from Port Arthur, 1 mile from Ry. station, 100 acres cleared with very modern house that cost \$3800 and up-to-date out-buildings, \$1200 worth of machinery, and fully stocked, including about 60 pigs, 10 cows and a good team of young mares, etc.

This is a splendid property and there is a very good demand for produce both in Port Arthur and Fort William. Milk is taken at the door at 16c per gallon to supply the Cities, and there is a small fortune in potatoes, as the demand is much in excess of the local supply and just at present are worth \$2.00 per bag. The reason for selling, the owner, a doctor, has moved into the city. Price \$10,000—\$4,000 cash and balance to suit.

I will gladly furnish all particulars of this or other property in Fort William. Correspondence solicited. I can place your money in first mortgages on good residential and business property to net you 7 per cent.
