tion there are many even now available for farm well. A thirge number of these men have had farm experience and their services are new available at moderate wages with board. Farmers who can usefully employ one or two of these men at this time will be rendering & service to the community as well as to themselves. Many farmers have repairs and other odd jobs which have been put off to years on account of the high cost of This might be a good time to get caught up with work of this rature.

Farmers desiring help please communicate with your local representative and state the nature of the work and wages you are willing to
