"Died, at California, June 25th, of slow fever, Frank C. Saunders, formerly of Windsor, N. S."

The above notice, which appeared in some of the Halifax papers, seems to be very previous, as we got a letter from this same man, dated 5th inst., and it was a very lively one for a corpse. Frankie's friends will be glad to hear that he is well and doing well.

ORGAN RECITAL.—A goodly number were present at the organ recital, performed in the Baptist church last Wednesday evening under the direction of Prof. Porter. Messrs. Pickford & Black are agents for the Furness Line of steamers which sail from Halifax direct to London. The facilities for carrying apples by this line are excellent and no doubt our shippers will patronize the line to a very large extent.

A new industry for this part of the county has been started at Horton Landing, that of raising hens. Mr. Charles F. Rathbun has erected a commodious henery on his premises, lately occupied by him as a steam mill and wind power, and intends to go into this business on a large scale. We wish him success in his new venture. There is money in the raising of hens if the right man takes hold of one who has had some previous knowledge of such an undertaking.

BARRELS.—J. D. Martin wishes to inform his patrons that apple barrels can be obtained in Wolfville, from Edward Paine who is acting as his agent in this place.

The King's 1st Cornet Band teaming Wednesday of last week, was a success in every respect. A large crowd were there from all parts of the western portions of this county. The Somerset ladies are to be congratulated in the superb manner in which they conducted the stable part of the programme and their musical brothers for the active part they took to make it such a success. The amount of \$115 of thereabouts was realized which will go towards the payment of the band instruments.

NARROW ESCAPE.—A bullet from a gun in the hands of some reckless boys on the railroad wharf, came near inflicting serious injuries on the person of Mr. Stephen Eldredge, who was working in J. I. Brown's new blacksmith shop, on Friday afternoon last. The bullet passed within two feet of Mr. Eldredge who was working at the bench. He was playing at the time and in two seconds more would have been in the direct track of the ball, which passed through the shop. Such culpable carelessness should be put a stop to at once. There has been too much shooting by small boys in this vicinity lately.

Having recently imported a "Perfection Sbar Sharpener," I am prepared to sharpen and put in first-class order shears and scissors of every description. Perfect satisfaction guaranteed. J. M. SHAW, Wolfville. 35

METHOD.—Mr. Reubin S. Smith, a native of Yarmouth county, but now of Charleston, Mass., is at present having a

well-earned vacation stopping at the residence of his father-in-law, George N. Borden, Avonport. Mr. Smith, who is an Evangelist of much promise, occupied the pulpit of the Lower Horton Methodist church last Sunday evening. The congregation was quite a large one. Mr. Smith based his discourse on the 15th chapter of Acts, alluding to Paul's character before and after conversion, the change produced by the latter event, the circumstances which occurred during his imprisonment, the conversion of the jailor, his earnest enquiry as to the means of his own salvation etc. etc. Father Roun, fell in the morning preached one of his characteristic sermons at the same church. Rev. David W. Johnson, the pastor, will preach next Sunday morning a sermon to children.

A MOST BRUTAL ATTACK.—On Thursday last week, Mr. John W. Roscoe, father of Colin Roscoe Esq. Inspector of schools for this county, was subject to a most brutal assault at the hands of a man named Truman Thorpe who lives, we believe, at East Hall's Harbour. Mr. Roscoe, who was out driving with his wife, called on Thorpe, who is married to Mr. Roscoe's grand-daughter, on business; and without provocation on the part of Mr. Roscoe Thorpe attacked him and brutally beat him about the head, cutting him very severely until in fact he became unconscious. In this condition he carried him to his carriage, put him in and tied him so that he could not fall out, and directed Mrs. Roscoe to drive him home, a distance of a mile and a half. Mrs. Roscoe, who is quite an old lady, did so, and up till Monday last Mr. Roscoe had not recovered consciousness. He was badly injured and as he is comparatively an old man, his recovery, if it ever takes place, will be slow one. We understand that a warrant has been issued for Thorpe's arrest.

Ghosts. DEAR ACADIAN.—I have occasionally noticed in your columns, remedies for pests that trouble the farmers &c. Cannot you recommend something to the people of Grand Pre, that will keep those dead and gone old Frenchmen quiet? I was always a little timid but my love for Grand Pre made me bold enough to travel through there anywhere till those lively old ghosts appeared; but now I am afraid to go there. Should you decide to render assistance in this matter I would warn you that is of no use to my ordinary drug, as those old fellows are familiar with everything of that kind and would know just what would serve as an antidote. Yours &c, ANNIE. [Petition the Council—they can do anything.—Ed.]

Yarmouth Notes. Steamers *Dominion* and *Alpha* each make weekly trips between here and Boston and each are well patronized in the passenger line. The proprietor, Hon. L. E. Baker, is now on his way to England to purchase a fast commodious steamer for this route to meet the requirement of the travelling public.

Mr. Geo. E. C. Burton, clerk of the Exchange Bank, is spending his week at Wolfville, visiting friends who are attending the Ladies Seminary. He has taken in his bicycle with him, and intends to see some of the beauty of Horton and Cornwallis.

The Salvation Army held their first meeting here on August 30th. The hall meetings are well crowded. The hall can accommodate about six hundred. If they had a larger hall the attendance would be more than doubled. Their meetings are well conducted and scores are being converted.

Melburne J. Sheehan, who has been carrying on a Gent's Clothing business for four years, was arrested last week and taken to Montreal, on a charge of obtaining goods from houses there under false pretenses. He purchased goods there to a large amount on Aug. 3rd, and on 25th made assignment, preferring his father to the amount of eleven thousand dollars.

Rev. Anderson Rogers has decided to remain in Yarmouth N. S., and labor in the Presbyterian church here. His people are much pleased with this decision.

MUNICIPALITY. At the request of a large and influential body of Electors of Ward 8 I have allowed myself to be put in nomination as a candidate for Councilor, and if selected will use my best endeavors to promote the interests of Ward 8 as well as the whole County.
