The preliminary events took p'ace at the Acadia Gym in the afternoon before a moderate crowd, who enjoyed the sports. In Fast Game of Baseball-Score 1 to 0-Brown Pitched Splendid Game.

Acadia shut out Dalhousie by a score of 1 to 0 in the first game of the season, on the the Acadia campus Tuesday. It was a pitcher's battle all the way with little to pick between the two hurlers. Although neither of them sent many down by the strike-out route, the batters were pop flies or die on easy rollers. Acadia played beads-up ball all the way, while Dalhousie lost several golden opportuni-ties to score, through poor judgement on the bases and at the bat, twice having the sacks crowed.

The game was played on a wet ground, with a cold wind sweeping the diamond, yet the teams performed in mid-season style. While Brown was giving the style. While Brown was giving the Halifax batters lots of trouble, Acadia was finding nothing easy in Richardson's delivery, and but one ball was driven to the Dalhousie outfield. For six innings neither team was able to shove a man across the platter, and with both pitchers toing strong it looked like extra innings Bu iu the seventh however, Acadia spoiled this idea when by means of two hits and a Dalhousie error, Anthony chased across the rubber with the big run. This one tally looked as big as a mountain, and plenty for a win. With two down in the eighth Blanchard drove out the longest hit of the day, but died on second,

when Phinney grabbed a high foul from Wilson on a pretty play. In the ninth Dalhousie went down in order. "Fabie" Bates turned in the feature

of the game when he nabbed a foul from Grimmer's bat after a long run, and Mont Haslam topped off a good day in the field when he hauled down what looked Dr. Zwicker and family have returned to their summer home on Belcher Street after spending the winter in Wolfville.
