SMOKERS Gold Flake Cut Plug TO BE THE BEST SMOKING TOBACCO IN CANADA. It is made by a new and original process, through which the rank nicotine is extracted and the sweet Aroma and Natural Flavor are retained. It is made from pure sun-cured, Bright Virginia Leaf, without the aid of coloring or injurious compounds. It is cut ready for use and neatly packed in tin-foil, in compact 4 ounce packages. It will keep in any climate and will not burn the tongue.

As dealers are slow to take hold of a new thing, however much its merit, until there is a demand for it, I have determined to place it directly within the reach of all. For the next thirty days, where it cannot be obtained of local dealers, I will send two sample packages (4 oz. each) post-paid, to each address, on receipt of 25c. (Postage stamps or currency).
