OBITUARY

THOMAS MURPHY
 Mr. Thomas Murphy aged 77 years died at Barnaby River after a lingering illness on Sunday. He is survived by his wife and one daughter. Mr. Murphy was a member of one of the oldest families on the Miramichi and the last surviving member of his family. He has made several trips out west and to the Yukon. The interment will take place in the Catholic cemetery at Barnaby River. The funeral mass will be said by Rev. Father Elhatan.

JAMES COUGHLAN
 The death of James Coughlan occurred at the home of his niece Mrs. Thos. Sullivan on Tuesday morning March 25th. Death was due to dropsy. Deceased who was 76 years of age is survived by one daughter Susie and one son James; his wife predeceased him about fourteen months ago. One brother David Coughlan also survives.

The funeral was held on Wednesday March 26th at 2:30 p.m. Services at the house and grave were conducted by Rev. A. R. Yeoman of Millerton. Interment in St. Agnes Cemetery at Grey Rapids. The pallbearers were his nephews: Messrs. Matthew; Ivan Herbert; William, John and Charles Coughlan.

St Luke's Brothers Visits Newcastle

Thirty-seven members of St. Luke's Brotherhood drove to Newcastle Thursday evening to pay a return visit to their Shiretown brethren. The visitors provided the entertainment and the Newcastle ladies supplied the eats. The chair was occupied by Mr. George Groat in the absence of their president and he filled it well. The programme was varied; humorous musical and instructive the numbers being:

Trio—Mr. and Mrs. H. B. McDonald and Rev. Mr. Littlejohns.
 Violin Solo—Rev. Mr. Littlejohns
 Vocal Solo—G. A. Mersereau; Gordon Smith.
 Readings—Geo. McPherson; Miss Elliot; Mr. Abbott.
 Short Addresses—Mr. Littlejohns W. B. Snowball; Geo. Groat.

After the programme was exhausted the visitors and their hosts attacked the luncheon. It was a regular feast and the Chatham brethren showed their appreciation of the ladies' efforts in more than words. A hearty vote of thanks to the ladies and the singing of God Save the King brought a most enjoyable evening to a close.

Funeral Of Late L. S. Brown.

The funeral of the late L. S. Brown at Moncton Friday was the largest ever seen in that city. Thousands of people lined both sides of the route and business was suspended out of respect for the deceased. Two extension automobile trucks carried the floral offerings. The C.N.R. official staff was very largely represented and a private car brought C.P.R. officials to the number of fifty from various departments of that road. The remains were laid to rest in Sunny Brae Cemetery.

TRAFFIC TIED UP
 Traffic on the Canada Eastern section C.N.R. was tied up for about an hour Friday morning when two trucks on the tender of the Fredericton Express left the rails about half a mile below Millerton. It is thought that the accident was due to the front coming out of the ground.

DRIVING CONDITIONS MUCH IMPROVED

The recent snowstorm which was quite heavy in the northern section of the province has greatly improved the prospects for driving. The weather has also been sufficiently cold with the result that the snow has held better and there will be steady water when the brooks open. Already some of the brooks are beginning to show signs of opening up. April 15th is generally the date for stream-driving operations to be away to a good start; and the next week or ten days will determine to a great extent what conditions will be. At points on the North Shore the depth of snow is reported to be considerable.

Does Not Look Like Hard Times

Auto license receipts this year are already \$36,000 ahead of the record up to this time in 1924. Premier Veniot said that the figures did not bear out statements occasionally heard that the people of the province were still staggering under a depression. THE "Corona" Range

A Perfection In Range Building

The Corona is the result of years of experience to build a range that would give greater satisfaction and service to the user

The Fire-Grates are extra heavy—therefore lasting longer.

The Oven large and roomy and covered with asbestos millboard.

The Reservoir is made of 14-ounce tinned copper, which will not rust, enclosed in cast-iron casing.

A little higher in price than the ordinary range but well worth the difference. Ask those satisfied users what they think of it.

Why not get a "Corona" and enjoy satisfaction
