**THOROLD**

Private Samuel Bradley, who has recently returned from overseas service is spending a few days the guest of his sister, Mrs. Samuel Martin, St. Davids Street. Private Bradley enlisted with the 107th Battalion, at Winnipeg, Manitoba, and was engaged for practically three years in active service. He was seriously wounded in one of the strenuous battles, and was afterwards a patient for a period of eight months in one of the military hospitals. He is receiving a hearty welcome from the many friends who he encounters on the street daily, having being very popular around this section before moving to Winnipeg.

Mr. and Mrs. Arthur Watt and family, who spent the past year in British Columbia, have returned to their home in town.

Mrs. J. Dumpsy and granddaughter, Miss Clarion Glasscott, of Buffalo, N. Y., have returned home after spending a few days at the home of Mrs. R. McDonald Chappell Street.

Word has been received that Mrs. Henry Brainerd (Miss Anne Lynch) passed away at Middletown, Conn. The body is being brought to St. Catharines for burial this afternoon.

Mayor Grisdale, Hubert Grisdale and Mrs. G. Raynor, have returned from Port Colborne, where they attended the funeral of the Mayor's brother, William Grisdale, who passed away last Sunday at the age of 62 years. He had been a prominent temperance worker, and a member of the Masonic order, being buried with Masonic honors.

Messrs. William Cole and Albert Campbell, spent Thursday in Buffalo, N. Y., on business.

Mr. R. Turner, of Sarnia, has arrived in town and taken a position with Mr. O. R. Steadman. Mrs. Turner is expected to arrive in the very near future.

Mr. James Ball, who is contemplating building a residence on the boundary line east of the office of the Thorold Planning Mills, on the Merritt side, has made a personal application for water from the Thorold system. The commissioners were willing to accommodate a Merritt resident, but Mr. O'Connor stated that the only possible way to get water to the spot would be through the meter of the canal construction company; if they would accept his (O'Connor's) statement of the estimate of the amount of water probably used by Mr. Ball, it might be arranged. The matter was then left to be taken up at a future meeting.
