TOBACCO HEART.

"I have been smoking in good health and feel an occasional twinge of heart trouble, nervousness, and going through your arm and fingers? Better take a box or two of Milburn's Heart and Nerve Pills and get cured before this becomes too serious. Here's what Mr. John James, of Caledonia, Ont., has to say about them: 'I had trouble for four years, caused by excessive use of tobacco. At times my heart would beat very rapidly and when seemed to stop beating only to commence again with unusual rapidity. This unhealthy action of my heart caused shortness of breath, weakness and debility. I tried many medicines and spent a great deal of money but could not get any help. Last November, however, I read of a man, afflicted like myself, being cured by Milburn's Heart and Nerve Pills. I went to Roper's drug store and bought a box. When I had finished taking it I was so much better I bought another box and this completed the cure. My heart has not bothered me since, and I strongly recommend all sufferers from heart and nerve trouble, caused by excessive use of tobacco, to give Milburn's Heart and Nerve Pills a fair and faithful trial.' Price 50c. a box or 8 boxes for \$1.25, all druggists. T. Milburn & Co., Toronto, Ont.
