SPUR TO POWER STATION.

Engineer Lacas, of the C.N.R. and the city commissioners conferred on Friday concerning the spur line to be constructed from the E. Y. & P. railway at the Second street intersection south along the west side of the Exhibition grounds to be the Power station. The first preparate to the city and the spur along the bank of the river to Walter's Lumber yards, the city and Mr. Walters to bear yards, the city and Mr. Walters to bear equally the cost of construction. This has now been abandoned. It was found name for the new infantry regime has now been abandoned. It was found that the spur running along the river to be organized in Edmonton this bank would endanger the filtering basin.

The report that the spur running along the river to be organized in Edmonton this summer. Up to the present time only F. Stiles, Leduc; T. H. Dumble, Win-Col. J. N. Gibson will be appointed lieuand further the maintenance of this portion of the spur would be very heavy. As a result of the conference it has been decided to run the city's spur only ment should be forwarded at once to as far as the power station. Another spur will be run down First street to Walter's Mills. Engineer Lucas will survey these two lines to-day or to-morrow.

A. Hirach, purchasing agent of Swift & Co., Chicago, with his friend, E. F. Randolph, came to the city last night and are spending the day here. They leave tonight by the C.N.R. on return to Chicago. Speaking to the Bulletin representative in connections with the mains, where the new packing plant, Mr. Hirsch said there was nothing new to state. Their there was nothing new to state. Their run up here was merely a feature of their holiday trip to the coast. The work was being rushed forward as rapidly as possible, and slaughtering would be commenced by September let if at all possible.

Water was shut off. The new main is being laid along the lane to the south of Jasper from Fourth to Sixth streets, and where those were tapped it was necessary to shut off the water. A large number of workmen are now engaged in digging trenches along the lanes in the west end.

Mrs. J. B. Beauchamp, of Mundare,

dexterity. President Bell occupied the chair. Dancing was enjoyed till 12 o'clock. Music by Mr. McKay and Mr. J. Ruxton, Piper Major Craig and Piper H. Laing kept up the Hielan spirit.
