SCORE OF LIVES LOST IN WRECK

Steamer Hestia of Donaldson Line Driven to Destruction in Shoal in Bay of Fundy.

East Port, Me., Oct. 26.-The North

Atlantic annual toll of human lives and vessels received the first tithe of the winter season from its tributary the Bay of Fundy today, in the los of at least a score of souls and the restruction of a shoal inside of old SUPEROR JUNCTION reprietor's Ledge, off Seal Cove, destruction of a shoal inside of old Grand Manan, of the Donaldson line steamer Hestia, bound from Glasgow for St. John and Baltimore Four of the victims, young school iddies, were passengers on the illtated steamer and the others were members of the crew. Capt. Newman and twenty or more members of the crew were last seen this morning in a ship's boat, which was being tossed and buffeted on the aggravated sea, making still more dangerous the ever treacherous tides, which rush in and out of the Bay of Fundy.

Only Six Saved. forty persons who were on the shoal at one o'clock this morn mpaled craft, shifting their precarious sitions often, as the steamer was eing tossed by the seas. It was not until 3 o'clock today that life savers from the Seal Cove station were able to man their boats and reach the Great Gale Raging.

Those known to be saved are: Third. Mate Stewart, Second Engineer Morgan, and Seamen Keen, McKenzie, Smith and McVicker. A heavy northsponsible for the Hestia's fate, alhough it is supposed that a mistake though it is supposed that a mistake of the man at the wheel in believing that he had picked up Gannet Rock light, white really discerning the glasms of the light house on Machine. Seal Island, several miles southwest, carried the ship many miles off her

Prince Albert, Oct. 27.-The board trade have re-organized and propose taking up many important mat ers during the winter months. R. H. Hall continues as president, and J. E. Bradshaw, M.P.P., as vice presilent. The board propose taking up the proposition of making the Sas katchewan river navigable from Win nipeg through to Edmonton, and will draft a resolution to the governm urging the attention to this project island, half a mile up the river, will be converted into a summer re sort and pleasure boats will be placed on the run between the city and the proposed park.

port Shows Revenue Largely Exceeds Expenditures.

Ottawa, Oct. 26.—The annual report the Postmaster General covering the last fiscal year, shows that the number of letters and post cards handled in the mails during the year increased by 18,905,000 or over four per cent as compared with the preceding twelve months. The number of post offices increased by 656 and there was an increase of 2,034 miles in the extent of the system over which the nails were carried.

The revenue of the department for ie year was \$809,237 in excess of the expenditure. The stamp issue total-led \$9,916,011, an increase of \$530,000 or a little over six per cent. The introduction of one-cent drop letter rate n cities was responsible for a very large increase in letters for local delivery. The total number of one cent tamps issued was 51.536,000.
