ROBIN HOOD FLOUR
IS DIFFERENT
IT HAS ROUSED THE CURIOSITY OF THE WHOLE WEST

Madam, there is no doubt about it.
But there is just one way you can be convinced. You must use it yourself.
Our claims will not satisfy you, but we back up our claims in such a way that you will lose nothing by trying Robin Hood.
Your grocer will tell you about our guarantee which gives you back your money if you are not satisfied.

2 in 1 Shoe Polish.
MR. MERCHANT:
If the stuff you sell, labelled shoe polish, destroys the shoes of an entire family you're going to lose that family's trade. Since the market is flooded with fake preparations you ought to push
2 in 1
because it is a shoe shine which actually preserves leather. It contains no chemicals or acids and cannot be applied without adding days to the life of shoes. Place your order to-day. For sale by all dealers.
