no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon losec the power to sway the heart of a m.n. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R.V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's all-ments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regu-

**Itching Piles** 

For 27 Yrs.

Despaired of ever getting relief unti-cure came 3 years ago with use of DR. CHASE'S OINTMENT.

Mr. John Johnson, Cawley, Alta.

Mr. John Johnson, Cawley, Alta., writes: "Three years ago I was cured of blind, itching piles of twenty-seven years' standing by using Dr. Chase's Ointment. I used to think that death would be the only relief I could ever get from the terrible misery of piles. "Dr. Chase's Ointment is worth six y dollars a box instead of sixty cents. I am a different man since using it. I am farming all the time now and never niss a day. Words fail to express my gratitude for the cure this Ointment made for me. I cannot tell half as much about it as it deserves. Any me doubting this can write direct to me."

Do not accept an imitation or substi-tute in place of Dr. Chase's Ointment, for there has yet to be discovered a reatment which so promptly gives re-lief from itching and so thoroughly sures every form of piles. 60 cents a lox, at all dealers, or Edmanson, Bates & Co., Toronto. #### THE VERY TIME

When Powerful Food Is Most Needed The need of delicate yet nutritious lood is never felt so keenly as when a convalescent gets a set back on account of weak stomach. Then is when Grape-Nuts shows its power for it is the most scientific and easily digested food in the world.

"About a year ago," says a Kansas oman, "my little six-year-old neice, Helen, left the invigorating and buoyant air of Kansas, where all her life she had enjoyed fairly good health, to live in the more quiet atmosphere of Ohio. She had a complete change of and of course a change of water, somehow she eventually contracted typhoid fever.

"After a long seige her case seemel hopeless, doctors gave her up, and she was nothing but skin and bones, couldn't eat anything and for weeks did not know even her father or mother. Her parents, wishing to get something delicate and nourishing, finally hit upon Grape-Nuts food for her and it turned out to be just th

"She seemed to relish it, was soon conscious of her surroundings and began to gain health and strength so rapidly that in a short time she was well, playful and robust as if she had never been ill.

"We all feel that Grape-Nuts was the predominating factor in saving the sweet little girl's life." Read the little book, "The Road to
