Crisco!

A scientific discovery which will affect every home in Newfoundland.

Use in cooking wherever you would use lard or butter.

Crisco is an absolutely wholesome and delicious material made under hygienic conditions from vegetable oils, and contains no animal fats.

It is crisp, flaky—just the proper consistency to make it ideal for creaming in cake or for working into pastry.

Put up in attractive airtight 1½ pound tins with a book of recipes on top of each tin.
