The second game of the League fixtures was pulled off last evening at the Prince's Rink. The Terra Novas and Victorias were the contestants and the former won by 4 goals to 2. The game was a splendid and exciting one and a fairly good attendance of spectators was in evidence. Periodically there was a wave of wildness and roughness displayed. Now and then a player took a larger object for the puck and some heavy body checking was handed out by both sides, but

Old Fort Bay, Labradore, Que., Febuary 2nd. (Special.)—"Do I believe Dodd's Kidney Pills? Well, I teleraphed two hundred miles to get wo boxes of them." The speaker was Sandy Goulette, an old settler here. Nor did Mr. Goulette require 'to be

pressed to tell the rest of his story. "I was swollen out of shape from nead to foot. I was so short of breath I could hardly speak. The doctor could do nothing for me. The minister gave me the holy sacrament and a good priest came and told me I could not live much longer.

"Then I telegraphed for Dodd's Kidney Pills. I took three pills the night they came and I got relief before Mr. Goulette offers to answer any letters written to him regarding his case. He feels that he owes his health, if not his life, to Dodd's Kid-
