by Heart.

The most wonderful memorising feat on record has recently been accomplished by William Frederick, a New York salesman.

He has learnt the entire Bible off by heart, and can repeat any passage in it from Genesis to Revelation, and state where it can be found. It has taken him eighteen years.

A similar task was once undertaken by an eighteenth-century strolling the chimney. ertson Nicoll has written. But he gave in after eleven years, by which time he had succeeded in memorising about two-thirds of the Old Testa-

This same individual did, however succeed in accomplishing an almost equally marvellous feat of the kind. For a wager he undertook to memorise, within forty-eight hours, the whole of the next day's Daily Advertiser, and accomplished his task by repeating every line in the journal -news, headings, advertisements and all, in perfect order and without a slip.—Pearson's Weekly.

Help to Win the War by USING LESS FLOUR.

Uaten Bread

TAKE 1 sifter full of WINDSOR PATENT Flour and 1 sifter full of OGILVIE'S ROLLED OATS.

Scald the Rolled Oats with 2 cupfuls of boiling water. Make sponge with 1/2 yeast cake and one cup of WINDSOR PAT-ENT; then add the Rolled Oats-after allowing sufficient time for them to cool.

1 tablespoonful of Butter, 2 teaspoonfuls of Salt, 11/2 tablespoonfuls of Sugar.

Knead well, adding WINDSOR PATENT as required to give it the proper texture before proceeding to bake.

The Above Recipe Will Make a Wholesome and Delicious Bread.
