Forty-Two Years in the Public
Service--The Evening Telegram

Salvage Notes.

On Monday night, Dec. 19th, the C. E.W.A. held a soup supper and sale of work in their hall. The success of the sale was not nearly as great as last year, but considering the conditions of to-day, the proceeds were considered to be pretty nearly up to expectations by the ladies in charge.

On Wednesday night, Dec. 21st, the children of St. Stephen's School held a concert in the school room. The stage had been nicely decorated, and the children were eager to get their annual taste of stage life. Unfortunately the weather was not at all ideal for a big attendance, and in view of the peculiar conditions existing here many people missed the pleasant spectacle of juvenile actors and actresses. All things pertaining to education should be greatly appreciated and upheld by the parents of to-day. We fear that in many respects besides that of compulsory and inter-denominational education, we—especially the parents, want more than an awakening. Nothing educates so deeply as dramatic movements, and nothing encourages more than parental interests. We want more of each in our educational programme. Reverting again to the concert may we add that most of the drills, songs, dialogues, etc., were exceedingly well done, and earned well merited applause.

Last week Mr. Richard Dyke of Salvage Bay killed a six year ox for local consumption, disposing of same at 20c. lb. The animal was in splendid condition, and its four quarters weighed down 1012 lbs.

Many of the men of Salvage and Bishop's Hr. have been up in New-man's Sound the past week or so, preparing their camps for the winter's work of cutting pit-props. They purpose starting immediately after the Xmas season.

The L.O.A. of Salvage are holding their annual parade on St. John's

Day. After the parade they intend dining on a good old-fashioned "Pork and Cabbage" dinner, etc. We wish them pleasant weather.

Mr. Maxwell Lane, student at Bp. Field College, St. John's, arrived home Wednesday to spend his Xmas vacation with his parents. Mr. Lane is attempting the A.A. Examination, and in this we wish him every success.

Messrs. A. Lane and Jas. Hiscock, also students of Field College this year are spending their vacation at home Flat Islands.

Several of our men have been rabbit catching for the past fortnight or so. The different crowds gone have averaged 20 rabbits per man each trip.

NUXATED IRON

If you are not strong or well you are it to yourself to make the following test: see how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of NUXATED IRON three times per day for two weeks. Then test your strength again and you will find you have gained. Many people have made this test and have been astonished at their increased strength, endurance and energy. Nuxated Iron is guaranteed to give satisfaction or money refunded. At all good druggists.

Plaid slip-over sweaters are very popular for golfing and sports wear.

Many street frocks show fullness at the sides with flat back and front.

White velvet appears combined with silver lace as an evening gown.

The foundation skirts of lace frocks are straight and rather short.

Many designers combine crystals and white drape for afternoon gowns.
