BURGRAR

C. L. B. Cadets.

Brigade Headquarters were busier than ever Tuesday night, showing orong vitality in all departments. The Nfid. Regt. is thirty-one years old and still going strong. Nine officers and 132 other ranks were on duty. Physical drill under Lieut, Job Taylor was underway with Sergt, Leslie Hookey training his forty recruits, Sergt. Hubert Hookey his platoon of lads, and the eagle eye of Captain Stick, Adjt., overseeing everybody else

was doing his bit. The training of all C.L.B. Sergeants in bayonet fighting and physical training commences on Thursday night. Capt. Stick, Adjutant, will undertake it assisted by Sergt. Major John Andrews. After the Sergeants finish their course the Companies will be trained.

On Thursday night President Chafe and the Old Comrades will hold their Annual Meeting. He will read the Annual Report for the year and the Election of the Executive will take place. All Old Comrades will please therefore report at 8 p.m. on Thursday night in the Old Comrades Club. Let every man answer the roll. Lt. Col. Walter Rendell and Major Williams will also attend. Pioneer Sergt. Major Johnson has done good work and completed a fine table for illustration work in the Red Cross department. Capt. Burden, M.D., has his department well organized for giving the lads a good sound educational course this season in First Aid.

The officers held a conference at 9 p.m. presided over by Lt. Col. Rendell. President Chafe of the Old Comrades and Sergt. Feaver of the N.C.O.'s Mess was also present and made their reports. The conference was mainly on finance in connection with the budget system, representatives of each department reporting progress as to their quotas towards general Brigade expenses. Income from Band Concerts this year was zery poor due to unfavourable weather, but everybody has full confidence

in reaching their objective.

The regular monthly meeting of the Officers Mess takes place on Thursday evening at nine o'clock. All officers will please meet and report. Ptes. A. Dawe and W. England have heen granted permission to rejoin. The symnasium will be opened up Mondays and Fridays from eight to ton fifteen. Lights out at 10.30 sharp. On Tuesday nights the Brigade invites all non members to use the gymnasium in order to assist in their training for the big Boxing Tournament on November 14th, when Nfid.'s young Jack Dempsey puts on the gloves against "Firpo Junicr." The Brigade's expert Management Committee have matters well in hand and this alone is a guarantee of success.

Will intending competitors start training at once-matches are nearly always won in the training period. The Brigade Executive have rented the Armoury building for the last week in November for the Annual Poultry Show. Lieuts. Perlin and Fred E. Reid have been granted periods of leave. On October 2nd the squad of recruits now in training will be examined as to being fit for promotion to Companies. Recruits buck up, you have only a few days left before your Exams, when if successful you will be permitted to have your kit and join the Company. Lieut. Harold Hayward, Acting Captain of A. Co., has been granted two weeks

leave from October 2nd. The Brigade was paid a nice compliment a few days ago when a young churchman who admires the work of the Brigade handed over a life insurance policy for one thousand dollars payable to the C.L.B., and the premium of the policy will be paid by him during the term of the policy. The donor prefers to remain unpreciation of the Brigade's work in Newfoundland. Gifts like these are encouraging "to those who are trailing wards through the night."
