

**BREAKFAST—EPP'S COCOA—GRATEFUL**  
and COMFORTING.—By a thorough know-  
ledge of the natural laws which govern  
the operations of digestion and nutrition,  
and by a careful application of the fine  
properties of well-selected cocoa, Mr.  
Epps has provided our breakfast tables  
with a delicately flavored beverage which  
may save us many heavy doctor bills.—  
*Civil Service Gazette.* Made simply with  
boiling water or milk. Each packet is  
labelled "James Epps & Co., Homoeopa-  
thic Chemists, London." Also, makers  
of Epps's Milky Cocoa (Cocoa and Con-  
densed Milk).

We understand that the whooping-  
cough is quite prevalent in the towns  
around us; but that no cases have pro-  
ved fatal. Some families use nothing but  
"Johnson's Anodyne Liniment." Our  
Doctor, however, says a little ipecac, to  
produce vomiting, would be an advan-  
tage.

There are more than one thousand  
different kinds of pills in the United  
States. Some of them are worthless and  
injurious, others are good and beneficial.  
Old Dr. Parsons invented the best anti-  
bilious pill we ever saw or heard of.  
They are now sold under the name of  
"Parsons' Purgative Pills."

"Time tries all things," and has pro-  
ved that "Dr. Wistar's Balsam of Wild  
Cherry" is the remedy par excellence for  
the cure of coughs, colds, croup, whoop-  
ing-cough, bronchitis, asthma, phthisis,  
sore throat, and influenza. It cures  
coughs and colds *instantly!* It soothes  
the irritated parts; it heals the inflamma-  
tion; and even consumption itself  
yields to its magic influence.

Husband:— I shall know them better hereafter. Druggists and Storekeepers are doing not only themselves a great deal of harm, but their customers also by inducing them to buy an article without knowing its merit. Perry Davis' Pain-Killer has been before the public for over thirty years. It is known in every quarter of the earth, and is sold by every Druggist and most storekeepers and grocers. As a Colic Specific and Diarrhoea Medicine, its reputation has no parallel. I am surprised that we have lived so many years without it. Wife:— Charles, the reason is you have been taking whatever the storekeeper would recommend, we have always had a bottle of Pain-Cure or Believer or Pain Remedy or some such trash in the house, and we tried them over and over again. Husband:— And that is just the reason I object to try the Pain-Killer on my Rheumatism. Sold every where, price 25cts, and 50 cents per bottle.

The Pain-Killer is an internal and external remedy for Pain. For internal pain, Cramps, Spasms, Stomach and Bowel difficulties, a few drops in water will give immediate relief. As a Liniment it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

**FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES**

As all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is in itself a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is the substantially the basis on which FELLOWS' SYRUP OF HYPOPHOSPHITES is built, its direct action upon the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Reinforcing the Sluggish Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.
