

madcap that ever existed; now she is growing as tame as—little Jessie." Clinton's fine eyes were fixed keenly on the frank, open face of Captain Graham; but nothing was to be read there more than his wonted contentment. With a peculiar smile he turned away, and said, carelessly— "And who is this little Jessie to whom you refer?"

"She is the protegee of the old lady on the island—fair as the dream of an opium-eater, enchanting as an hour, and with the voice of an angel!"

"Who! the bold Captain Graham, the daring descendant of old Malcolm the Dauntless, has lost his heart at last," laughed Herbert Clinton.

"No. There is no danger of that, I fancy; unless, indeed," he added, fixing his eyes quizzically on Clinton's handsome face, "I should happen to meet this little enchantress you spoke of a while ago."

A meeting of the friends of the Messrs. Jardine, of Barton, the well-known breeders of Ayrshire cattle, was held the other day in Hamilton, and a resolution was passed congratulating these gentlemen on their success at the late fairs in Hamilton, Guelph, London and Toronto.

**THERE WILL BE NO PARTING THERE.**—Not if your hair continues to fall as it now does. Get without delay a bottle of Bearine, dress the hair often with it. Bearine stops the hair from falling off and assists nature to restore its natural vigor. Every Druggist sells it.

**THE SYMPTOMS OF MENTAL** decay resemble the gradual changes that come over old people, and are similar to those induced by excess of food and habits, and the tendency is to the production of softening of the brain and insanity. The cause is deficiency of phosphate, it is well known that man grows older and mentally weaker when the nervous system is insufficiently supplied with these elements—the solidity of the brain depending upon phosphoric compounds—and that those foods which are richest in phosphates contribute most speedily to brain power and loss of constitutional vigor. Dr. Wood's Compound Phosphate of Potash and Calcium contains these elements in an easily assimilable form, constituting a brain and nerve food. O.S. daily.

Mr. Torrance's and the Town Line. Also,

**A NUMBER OF VALUABLE FARMS NEAR GUELPH. PROTECT YOUR BUILDINGS** Which may be done at one-fourth the usual Expense, by using Glines' Patent

**SLATE ROOFING PAINT!** AGENTS WANTED IN EVERY TOWN.

A Roof may be covered with a very cheap shingle, and by application of this slate may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slate, for ONE THIRD THE COST OF RE-SHINGLING. The expense of slating new shingles is only about the cost of simply laying them.

**The Paint is Fire-Proof** against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the Same Tariff as for Slated Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS OR SCALES. For Fences it is particularly adapted, as it will not corrode in the most exposed places. Roofs covered with Tar Sheeting Felt can be made water-tight at a small expense. The Slate Paint is

**EXTREMELY CHEAP!** Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is Used in this Composition, therefore, it does not effect the water from the roof, if turned off from the eaves before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years. Curled or Warped Shingles it brings to their place and keeps them there. It fills up all holes in tin or felt roofs, and STOPS THE LEAKS. The color of the slate when first applied is dark purple, changing in about a month to a light uniform slate colour, and is, to all intents and purposes, SLATE. The Paint has a very Heavy Body, but is easily put on, and, although a slow dryer, rain will not affect it in the least one hour after applying.

**ROOFS EXAMINED. ESTIMATES GIVEN.** And when required will be Thoroughly Repaired. Orders Respectfully Solicited.
