Success.

In business comes when thorough satisfaction is given the public. That's why Nerthine sells so rapidly. Toothache is cured as if by magic. Pain, internal or external, finds a prompt antidote in Nerthine. Try it.

There are 1,000 electric lamps in the White House at Washington.

We have no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhea, cholera and all summer complaints, seasickness, etc. It promptly gives relief, and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

ENLIST
MACABEBES

Band of 100 Will Serve Under Gen. Lawton.

Administration Considering the Question of Blockading the Philippines.

Manila, Sept. 7.—Lieut. Baston, of the 4th Cavalry, has organized a band of 100 Macabebes, who will operate under the direction of Maj. Gen. Lawton. All of them were former Spanish volunteers. They will be uniformed and armed with Krags-Jorgensen rifles. The Macabebes will have a flag raising and barbecue on Friday next.

Washington, Sept. 7.—The matter of making an effective blockade in the Philippines, and especially around the island of Luzon, so as to prevent the insurgents from obtaining ammunition and supplies, is one that is giving the administration considerable concern. It has not been deemed feasible to proclaim a blockade, as it would indicate a state of war and possibly open a way to the recognition of the insurgents. Whether or not it is feasible to attack, subdue and garrison all the ports of Luzon which might serve as ports of supply for the Filipinos has not yet been determined. The authorities have not sufficient troops in Luzon to make this possible, and the question will now arise whether troops had best be spared for this purpose.

The president has been advised that the navy should be utilized for the purpose of preventing the introduction of contraband of war and supplies for the Filipinos.

Dr. Chase's Ointment.

Stoddard, Delhi, Norfolk county, Ont., writes as follows: "I was troubled with Eczema or Salt Rheum for over 12 years, and during that time doctored with different physicians, but found that they could only give temporary relief. Many a girl, bright, capable and interesting, has had her usefulness seriously impaired because of the neglect of the ethical and social in education. At Alma College these matters receive attention along with the student's mental training. RADWAY'S READY RELIEF

A Pain Remedy.

For over fifty years this wonderful remedy has proved itself the best, safest and surest antidote for pain in the world.

The True Relief, Radway's Ready Relief

For Internal and External Use.

In using medicines to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine and Chloral stop pain by destroying the sense of perception, the patient losing the power of feeling. This is a most destructive practice; it masks the symptoms, shuts up, and instead of removing trouble, breaks down the stomach, liver and bowels, and is continued for a length of time, kills the nerves and produces local or general paralysis.

There is no necessity for using these uncertain agents when a positive remedy like RADWAY'S READY RELIEF will stop the most excruciating pain quicker, without entailing the least danger in either infant or adult.

It instantly stops the most excruciating pains, allays inflammation and cures congestions, whether of the Lungs, Stomach, Bowels or other glands or mucous membranes.

PAIN CURED IN AN INSTANT

No matter how violent or excruciating the pains the Rheumatic, Bed-ridden, Infirm, Crippled, Nervous, Neuralgic or prostrated with disease may suffer.

Radway's Ready Relief

Will Afford Instant Ease.

A CURE FOR

Summer Complaints,

Dysentery, Diarrhoea,

Cholera Morbus.

A half to a teaspoonful of Ready Relief in a half tumbler of water, repeated as often as the discharges continue, and a flannel saturated with Ready Relief placed over the stomach and bowels will afford immediate relief and soon effect a cure.

No bad after effects (which are invariably the sequel of dosing with opium, etc.) will follow the use of Radway's Ready Relief. The bowels will be left in a healthy, normal condition.

A half to a teaspoonful in half a tumbler of water, in a few minutes, cures Cramps, Spasms, Sour Stomach, Heartburn, Nervousness, Stomachache, Diarrhoea, Cholera, Dysentery, Colic, Flatulency and all internal pains.

MALARIA,

Chills and Fever, Fever

and Ague Conquered.

Radway's Ready Relief

Not only cures the patient seized with this terrible foe to settlers in newly settled districts, where the Malaria or Ague exists, but if people exposed to it will, every morning on getting out of bed, take twenty or thirty drops of the Ready Relief in a glass of water, and eat a cracker, they will escape attacks.

This must be done before going out. There is not a remedial agent in the world that will cure Fever and Ague and all other malarial, bilious and other fevers, aided by RADWAY'S READY RELIEF.
