The most successful racing season The most successful racing season in the history of Chicago tracks has come to a close—successful because of the quality of the racing and its sensational incidents of the year were the series of record breaking races run at Washington Park, a crusade against the Chicago tracks by E. E. Farley. the Chicago tracks by E. E. Farley, cured, an expelled horseman, the quarrels at the Hawthorne track, and the manifesto against political interference issued by the Harlem judges. That gen- Sold by C. McCallum & Co.

CHICAGO'S SEASON CLOSED.

in Chicago is conceded. It is a fact that causes those who oppose the sport to urge measures to check it, it leads others, followers of the to hope their pastime is developing to a point where it may be legalized. While track managers will not give out statistics, there is no doubt Kingston, Nov. 4. — The Kingston the attendance is increasing every year. In the matter of quality the sport this season was fully up to the standard of any former year in the class of horses engaged, the stakes were larger, and there was not so much grumbling as in former seasons over the much discussed and probably overrated problem of "in and out" Toronto, Nov. 3. - A record entry list running of horses. The difficulties at

the Hawthorne track did not really concern the racing public a great deal in any vital way, being internal affairs which involved the relations of officials of the course toward Edward Corrigan, who is generally believed to be really the controlling owner of the track, but track patrons, nevertheless, took a lively interest in the affair. The crusade by E. E. Farley, beyond causdon, Windsor. Clinton and Hamilton ing a number of people engaged in as yet, which will raise the total to racing some expense and annoyance can be formed, however, an appropriation must be made by the O. A. C. ed to racing on principle had no constitution of the control of the con pathy with the crusader, who was merely seeking revenge for being ruled off for fraud. The famous Harlem manifesto, however, may prove a more serious affair, and many think it may result in official interference with racing next year.
