A COLD STORAGE PLANT FOR CHEESE

Fair Board Will Provide One in the Dairy Building—The Poultry Committee.

A cold storage plant for cheese will be installed in the dairy building at the Western Fair this year. Secretary Hunt made this announcement at a meeting of the dairy and honey committee of the Western Fair, which was held in the fair offices yesterday afternoon. An appropriation for this work had been made by the executive and financial committees.

It is expected that this will materially add to the number of exhibitors, as heretofore the fact that there has not been any protection for cheese has prevented many from exhibiting. Offers were received from the Canada Salt Company of Windsor of a silver cup for the butter-making competition

A Silver Cup.

The A. M. Smith Company, of this city, also donated a silver cup for the cheese scoring the highest number of points. It is also expected that there will be quite a number of other prizes donated by city merchants and manufacturers. The judges in this department were then chosen.

In the honey section, on account of the absence of a couple of members of the Beekeepers' Association, who were to meet the committee, business in this section was adjourned till a week from Saturday. It is expected that one of the results of this meeting will be the arrangement for a practical demonstration of the care of bees.

Those present at the meeting were: Mr. Wm. Moore, chairman; Messrs. W. J. Reid, J. M. Gillon, E. S. Hunt (Scottsville), Frank Herns, J. Miller (Ealing), George McCormick, W. McNeil and A. M. Hunt.

Poultry Committee.

The poultry committee met in the evening, and arranged for the distribution of the $250 extra prize money, granted by the executive at their last meeting. Fifty cents will be added to the first prizes in every section, thus putting the list practically on a par with Toronto.

In the pigeon classes the prizes were made $1 25, 75 cents and 25 cents. The pigeon classes were also revised, according to the list sent by the Pigeon Association.

A communication was received from Mr. Donovan, of the Poultry Review, offering a bronze medal for the poultry department, to be placed as the committee sees fit.

The fourteen silver cups donated by the Poultry and Pet Stock Association will be competed for again this year.

Those present at the meeting were: Ald. Saunders, chairman; Messrs. W. J. Reid, Wm. McNeil, R. Oke, W. A. Guernay, R. McCurdy, John Pringle, George McCormick and A. M. Hunt.

CATHOLIC RECORD PAYS TRIBUTE

London Looks Forward to the Day When Bishop Fallon Shall Arrive.

The Catholic Record says:

We are pleased to be able to announce that the probable date has been named for the consecration of the new Bishop of London, Ont. On the 23rd inst. the bulls arrived in London from Rome, and were conveyed to the bishop-elect in Buffalo by the Rev. J. T. Aylward, rector of St. Peter's Cathedral. It is expected that the consecration will take place in the Cathedral city of this diocese on Monday, April 25. This, then, will be a day that will mark a notable event in the history of the Diocese of London. To the administration of its spiritual affairs will come one who has, we may say, an international reputation for all those qualities that combine to make an ideal bishop of God's Holy Church. He brings to us youth and strength, and may we not hope, therefore, that his administration will be given length of years—he brings to us an intellect matured and brightened in the great schools—he brings to us personal characteristics which will make him beloved of priests and people. In fine, he brings to us a character which will make his life work an inspiration to all to become devoted children of the mother church and ideal citizens of our great young country. London Diocese has reason indeed to be proud of the choice which has been made. One and all in Ottawa and Buffalo congratulate us most heartily upon our good fortune in the possession of an ideal bishop. From those cities, on the day of consecration, will come a large concourse of Catholics, old and dear friends of the new bishop, to offer congratulations and renew in a plenteous degree the friendships of old. London looks forward with joy to the day when it will have an opportunity of extending to Father Fallon a welcome warm of Catholic faith, and a pledge of fealty to him in all his undertakings.

THE NAVAL DEBATE

Member for West Elgin Accuses the Premier of Being a Separationist.

Ottawa, March 3. — Mr. T. W. Crothers, West Elgin member, carried on the naval debate yesterday.

He condemned the Government's policy, and made the usual stereotyped attack on the Premier, accusing him of being a separationist.

Others who took part in the discussion were Messrs. Nantel, Roy, Montmagny, and Dubeau, all from Quebec.

BARRELS HAD INNOCENT TITLE.

St. John, N. B., March 2.—The C. P. R. station agent at Woodstock was fined fifty dollars for having liquor in a freight shed in a Scott Act county. Two barrels marked groceries were found to contain liquor shipped from St. John. They were seized and a prosecution followed. Under the law the railway agent is liable.

A CAVARY COURSE.

Ottawa, March 3. — One hundred cavalry officers from all parts of Canada will take part in a special course in Stanley Barracks at Toronto next May. This will not be a regular qualifying course, but rather a brushing-up for already qualified officers. It is expected that every cavalry regiment in Canada will have one or more officers present.

At the afternoon session of the London district Woman's Missionary Society, held in the First Methodist Church Tuesday, an invitation was received from the Dundas Centre Methodist Church, inviting the association to hold their next convention in that church. This invitation was cordially accepted.

Death of Mrs. Young.

Mrs. Annie Young, widow of the late John Young, of Union, Elgin County, died here in Victoria Hospital on Monday after a brief illness. Mrs. Young, who was 47 years of age, is survived by her son, Thomas, and three brothers, J., Oregon; W. and E., South Yarmouth, and three sisters, Mrs. O. Burgess and Mrs. S. Fortner, South Yarmouth, and Miss Bessie at home. The funeral takes place today at 2 p.m., from the residence of Mr. O. Burgess to Union Cemetery.

A Record-Breaker.

Mother Died in Jersey.

Mrs. J. W. Woonton, 698 Maitland street, city, received word of the death of her mother, Mrs. Aubin, at St. Hellier's, Jersey, Channel Islands, which took place on Feb. 12. Deceased was in her 95th year, and is survived by one daughter (Mrs. Woonton), seven grandchildren and eleven great grandchildren.

Referred to Bad Sidewalks.

At the lecture on Dr. Robertson, in the First Presbyterian Lecture Hall last night, reference was made to the numbers, especially of ladies, who had braved the bad walking on the sidewalks to attend. The Rev. Mr. Macbeth said that in the little town of Paris the police would get after the people and have them clean their sidewalks, but he presumed London was such a large place it took the police longer to get after them. Mr. Macbeth evidently did not know London and its ways.

SEARCHED BY GORY HAND

Bloodstains in Murdered Man's Pocket Suggest Robbery as Cause.

Parry Sound, March 3.—An important clue as to the motive for the murder of Michael J. Davis has been found on an examination of the clothing of the murdered man. Davis was fully dressed when killed and blood has been found on the lower edge of his vest and in his trouser pockets, showing that after killing Davis the murderer put his blood-stained hands in the murdered man's pockets. This gives color to the theory that Davis had been talking of a loan on his farm to the murderer as well as he had done to others, and that robbery was the motive. This is the only discovery reported.

SEVENTH REGT. WILL HONOR THE DATE

Notice To Be Taken of the 25th Anniversary of Departure for Rebellion.

A reunion to celebrate the twenty-fifth anniversary of the departure of the Seventh Regiment for the Northwest to take part in putting down the Riel Rebellion, will be arranged by the officers of the regiment at that date. Col. A. M. Smith, Col. W. M. Gartshore, Capt. Geo. M. Reid and others have the matter under consideration, and it is probable that a banquet or some form of celebration will be arranged for April 7. There are a large number of the veterans in London and vicinity, and it is expected that a very interesting time will be enjoyed.

OSLER TO RESIGN

Toronto, March 2.—It is rumored that Mr. Justice Osler will resign from the bench, and that in the near future he will become president of the Toronto General Trusts Company. It is said that he will retire on full salary. He has been 30 years on the bench.

She Had This Sore For Four Long Years!

NOW ZAM-BUK HAS HEALED IT

You can't equal Zam-Buk for sores of all kinds, whether recent or of long standing. That is the opinion of Mrs. Wilson, of 110 Wickson avenue, Toronto. Mrs. Wilson says:

"About four years ago a sore spot appeared on the right side of my face, just about the angle of the jaw. This spot increased in size until it became very troublesome. I went to a doctor, from whom I had received treatment, but the ointment I got did not have any good effect on the sore. I had it cauterized, tried poultices and all kinds of salves, but it was no good, and this continued for four years. A sample of Zam-Buk was one day left at our house, and I used it.

"Although the quantity was so small, it seemed to do me some good, so I purchased from Mr. Bauld, druggist, Scollard and Yonge streets, a supply of Zam-Buk. Each box did me more and more good, and to my delight, before I had been using Zam-Buk three weeks, I saw that it was going to heal the sore. In less than a month it was healed! It has now been healed for almost a year, and at the present time the only trace of it is a small patch of skin a little whiter than the surrounding tissue. If Zam-Buk can heal a sore of this kind, which had defied all treatment for four years, I am sure it must be a thing needed in scores of homes."

Try Zam-Buk for eczema, ulcers, sores, bad leg, varicose ulcers, skin eruptions, face spots, baby's rashes, inflamed places, piles, blood-poisoning and all skin injuries and diseases. 50c, all druggists and stores, or post free from Zam-Buk Company, Toronto, for price. Refuse "just as goods" and imitations.
