Hillcrest Farm Exhibit.

A revelation in what Middlesex can produce in luscious fruits and beautiful wers is afforded by the exhibit of John Sharman, of Hillcrest Fruit Farm, Springbank, R. R. No. 4, in the horticultural building. Grapes, apples, plums, peaches and pears of the finest quality are shown. Four Bartlett pears growing from a single stem are exhibited, totalling in weight 314 pounds. Northern Spies shown represent an acme of perfection probably unsur-Sharman is representative of the E. D. Smith Nurseries, of Winona, and his fruits are grown from stock from this nursery. Blue spruces and other ornamental nursery stock exhibited add to the beauty of the exhibit, the central feature of which is a grassy bank on the crest of which a miniature log cabin stands.

Dennis Wire and Iron Works. In the "Made in London" section of the main building the always attractive and interesting exhibit of the Denhis Wire and Iron Works Company, Limited, is found. Here are shown States. George Cotton, of Byron, has also a fine flock of Southdowns.

States of Southdowns. steel tables for hospital use, beautiful dent adds, is beginning to cause alarm.

lawn and cemetery seats, impervious to climatic and weather conditions. samples of the artistic grill work, steel molding and other manufactures in which the company specializes, in-viting fireside fixtures, spark screens, andirons, wire display baskets for stores, coal screens, a wide variety of lockers, mail boxes, brass railings for churches, beautiful bronze vases and collection plates, steel medicine cabinets, factory stools, wire mats, dog muzzles in assorted sizes, guards for ventilation pipes, and attractive "Keep off the grass" signs. A feature of the exhibit is the "Dennissteel" locker rapidly coming to be recognized everywhere as the standard for quality. The exhibit is altogether one of the finest exhibits of "Made in London"

goods at the fair.

B. C. Fruit Exhibit. Alluringly attractive is the exhibit of fruits from the famous Okanagan and Kootenay fruit districts of the Pacific terday, gave promise of an unusually terday, gave promise of an unusually successful 1914 exhibition. If it is to are splendid evidence that farmers, some fine porkers are shown. Many of G. E. Grogan, assistant exhibition entire week will be like, then the pres- mined that Canadian trade shall not hanging over the pens, looking at the now in season is shown, including decommissioner. Every variety of fruit lectable Crawford peaches, half a dozen varieties of luscious plums, great yellow egg plums, the highly-prized Pond's seedling plum, prunes, the Damsons and others of superb quality, Baldwin, stone & Son, of Streetsville, look to Wealthy and summer apples in profusion and excellence of showing that may well arouse the envy of growers in leading eastern apple districts, crabapples in great variety, including the famous "Martha" crab, and celery from the widely-noted Armstrong celery district. While the Okanagan and Koote-

nay fruit districts are the oldest and most developed, new fruit districts in the province are every year coming into prominence. One of the largest exhibits in the horticultural building, the British Columbia exhibit cannot fail to attract one's attention, and it well merits a close inspection. Interesting literature, descriptive of the province's especial adaptability to fruit growing peril. and other industries, is here available GIVE SPECIAL GUARANTEES.

R. A. Lister & Co., who have had a successful exhibition at the Toronto Fair, have, as usual, a full line of goods at London. Not only does this include "Melotte" separators, of which there are 50,000 in use in this country. but there is a "Lister" engine, which has a large and increasing sale in Canada The new "Lister" grinders are also being shown. With the latter, the Lister people are giving a special guarantee, of great interest to farmers.

the northeast section of the "palace." Unusually graceful in lines, the WAR'S INFLUENCE plano looks like an aristocrat, from its highly-polished surface to the beautiful and artistic design, which stamps it at once the peer of all pianos, and assures it a place even in the musicrooms of royalty.

The display of the Heintzman Company this year is an unusually fine one. The upright pianos, in every wood and butter in the Dairy Hall, which are mahogany, and French burl walnut,

Another unique feature of the exnum action and fittings, making air eakage impossible. Mr. Chris Pink, the and cream testing demonstrations every players, demonstrating the special rolls, on which the words of the song

A full exhibit of Victrolas is also being made by the Heintzman Company.

"PERFECTION" BROOM EXHIBIT. W. Scarlett's exhibit of "Made in London' brooms is to be found in the same location held in previous touring cars, automobiles, motor trucks | years by Mr. Scarlett. The exhibit is one of the most educational at the exhibition, showing as it does broom corn in various stages of its growth and manufacture. Corn grown in the vicinity of London is included in the "Perfection" brooms, for exhibit. home, factory and foundry use, parlor brooms, carpet brooms, warehouse brooms, whisk brooms, top brooms, bamboo-handled brooms, and other brooms galore, all styles of which are manufactured in Mr. Scarlett's broom factory on Glebe street, are This is an exhibit which one instinctively stops to study and

#### INDEPENDENT-ORDER FORESTERS

Have one of the most beautiful tents on the Western Fair grounds. C. H Merryfield, superintendent, and Thos. Ball, G. S. C. R., are in charge. Everybody is made welcome. Call and see

This great order gives more benefits than any other fraternal order in the land-sick benefits, single and double, from \$3 to \$10 per week; free medical attendance; funeral benefit; disability benefit; old age annuity; benefit of seven-tenths of their insurance and pay no more into the order. They care for all their members who are taken ill with tuberculosis by giving free hospital treatment in their sanatorium. They have cared for more than 800 little orphan children. Last, but not least, they give insurance from \$250 to \$5,-00, which is 100 per cent sound. The order has paid out \$41,000,000 to sick members and beneficiaries of deceased members. Every workingman can well afford to join this great order, as small payments will keep him in good standing.

The social side of this order, together with the fraternal privileges, is well worth the money it costs to keep your dues paid up. This society has \$22,000,000 in its treasury, and its total assets amount to \$42,000,000. The order has at its head one of the best men in America, in the person of Hon. E. G. Stevenson, who is looked upon by all classes as the right man in the right

So it will be worth while for everybody who attends the exhibition to call and get a rate card at the tent.

#### MOORS TROUBLESOME ALL ALONG COAST French and Spanish Warships Proceed-

ing to Morocco. LONDON, Sept. 15.—2:50 a.m.—"The Moors are becoming troublesome all along the coast," says an Exchange

Telegraph Company dispatch from Gibraltar. "French and Spanish warships are proceeding to Morocco. "For six days fighting has been i progress in the neighborhood of Tetuan.

"The Spanish troops have taken Kudia and Bujayil after stubborn resist-"Thousands of persons from Tangiers are continually arriving at Algeciras,

fearing Moorish aggression." LOSSES ARE SUPPRESSED. [Canadlan Press.]
