CITY WILL APPEAL FOR H. C. OF L. INQUIRY

Mayor Named To Go to Ottawa as Part of Delegation.

The board of control, at the session his morning, recommended that Mayor tevenson be sent to Ottawa next Friav to join with the municipalities in ake some steps to relieve the high st of living. His worship presented legram from Mayor Church, Toronto ying that arrangements had been add to meet Sir Robert Borden and e Cabinet on Friday at noon to dis-ss the question. It is probable that the council will send other members to

assist in this work.

The members of the board of control were of the opinion that the whole question should be dealt with by the Controller Gammage losses. thought that a start should be made in the matter of exporting pulp wood. This "In the region southwest of Bubno" would bring down the price of paper, our patrols attacked enemy outposts and

foodstuffs.

The other controllers declared that the problem should be taken up as a whole, not locally. There was usually much delay in the presentation of reports from commissions, and this was considered a great objection to this form of action. However, the Government had power to take steps to prevent exportation of certain commodities, and this would help much.
