the money of other countries. The French Recent visitors to venice has the money of other countries. The French Recent visitors to venice has the new home, but even they are allowed military authorities and the French portunity of watching the poet working his new home, but even they are allowed watching the poet working his new home, but even they are allowed portunity of watching the poet working his new home, but even they are allowed watching the poet working his new home, but even they are allowed the portunity of watching the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home, but even they are allowed to the poet working his new home. best citizens, and an expert tobaccogrower. Mr. van de Kamer was 54
years old, and a native of Holland. As
a young man he went to the Island of
Sumatra for the Dutch East India
Tobacco Company, and became superintendent of a plantation of 2,000 acres,

Sumatra for the Dutch East India
Tobacco Company, and became superintendent of a plantation of 2,000 acres,
worked by 2,000 Chinese and Malay
laborers. After fourteen years in
Sumatra he started on a voyage around
the world, and in his travels visited
Norfolk County, where he was greatly
impressed with the possibilities of
tobacco-growing. Mr. van de Kamer
spoke four languages fluently, French,
Dutch, English and German.

URGES TRAINING
FOR CHARITY WORK

That there is trade going on between to
certain business elements in Poland and
the Bolsheviks is beyond doubt. Not
long ago, in Warsaw, a Russian appeared with a large quantity of gold
watches and diamonds. There were
certain things he wanted to take back
to Russia with him. The diamonds were
certain business house, recently organized in Poland, and this business
house made the purchase for him. Some
of the material needed was sold in
good faith, by an American to the supposed Polish firm. When it came to
getting his pay, after the goods had been
delivered.

bishop of New York, said in an address to the Catholic Women's League at a meeting in Massey Hall here tonight in connection with the league's convention.

The American Takes Diamonds.

The American was forced to take the diamonds. He got them to Paris and made a successful clean-up. But there-after he demanded the color of a buyer's money before he let go of any of his wisiting all the length colonies in India.

Father Keegan said, though it had been easy to fall into the term social work and forget the consecrated word this nature that they must never forget their religion. He advised special schools for the training of those who BRANTFORD, June 3.—The Waterloo County Council and officials were in Brantford yesterday making an inspection of the highways system in force in Brant, where the good roads plan is being carried out, all work done healing permanent. In Waterloo the old
