FAIR BOARD SECRETARY RETURNS FROM VACATION

A. M. Hunt, secretary of the Western Fair Board, has just returned from a combined motor and steamer trip through Ontario and New York State. Mr. Hunt, who was suffering from overstrain acquired in arranging for the erection of the Manufacturers Building at the Western Fair grounds and in connection with the fair generally, has benefitted very much by the trip and has already entered into his old work with his usual energy. Together with Mrs. Hunt and Mr. and Mrs. William Copp, they traveled along the lakeside and crossed over into the States, staying in Rochester and other American cities. The party went by steamer from Prescott to Montreal and returned by the Lachine canal. This was some 800 miles by car and 200 by water.
