### Maritime Farmer.

FREDERICTON, N. B., January 12, 1882. Past and Prospective Prosperity of 1881 and 1882. The prospects are, that, in the year upon which the country has entered the remarkable amidst the guests assembled to do its connot no other man would dare say, without being wood at fifty cents per cord. prosperity which characterised 1881, will be tractor honor, were found such opponents to hooted at and called a fool. He is like a THOS. W. SMITH & SON, sin of good harvests with which the farmers the road as Mr. Gilmour, M. P., and the comic actor, who has acquired a reputation, the Dominion bear here for the last far. Hon. Mr. Lindsay: Mr. Gilmour, indeed, who has only to step on the stage and leer of the Dominion have been for the last few years blessed, has wonderfully helped to promote that prosperity. When the farmers are doing well the country is in a pretty safe but a slang phrase from his lips will not debut a slang phrase from his lips will not demost striking component parts of that strange State. In the good year's, farmers are enabled to pay off old debts, increase their excol. Green encountered and triumphed over blushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with which composite thing—"his humour"—are, unbushing impudence, a sort of contempt to the determination with the determination with the determination with the d penditures, and even lay bye money. In that the many difficulties which confronted him for the public he addresses, who, he finds, way, traders are benefitted, and banks are before the road was constructed. Mr. Gil- will accept his grossest exaggerations as profitted. In this Province last year, the harvest was hardly an average one, but we do vest was hardly an average one, but we do how that our formula of the signers of the address to pearls of wit; a disposition to turn into ridient of the signers of the Execute feelings which most people hold as semivest was hardly an average one, but we do not know that our farmers suffered greatly thereby, as the prices they received for its much and continuous and co thereby, as the prices they received for their produce were good. If the harvest of this year is above the average, or is a fair average one, the prosperity of the country will be increased, and it will acquire a stability, if increased, and it will acquire a stability, if the craze of extravagance, and the mania of the craze of extravagance, and the mania of speculation does not seize upon its people. In this Province, it may be said, and particularly in this part of it, that, as people, are not in the midst of the rush of the prosperity they are out of danger, of the craze and the they are out of danger, of the craze and the communication from ocean to they are out of danger, of the craze and the mania. Over the Dominion as a whole, the year 1881 was, as we have said, a remarkably prosperous one. By those who have made a careful study of the subject, it is said that careful study of the subject, it is said that during the past year, commercial men met the circuitous route by the North Shore, and it the circuitous route by the North Shore, and it the circuitous route by the North Shore, and it using his grotesque humorisms; but when he shuts the book he has a feeling of dissatt- has accepted a position."

being her betrothed lover. "Obtained a situation! Why, pa, so disgusting. No, but he have no relations in the militia." That old has accepted a position." their obligations with more promptness than for years back, and that, comparitively few bad debts were contracted. There was a great diminution in the number of failures. Banks did a very profitable business, and increased their "rests," being unable to do so, as they incurred few or no bad debts. In some instances, as in those of the "Bank of Moatreal," and the "Marchant's Rank" of Moatreal," and the "Marchant's Rank" of Moatreal," and the "Marchant's Rank" of the Pacific Railway, and may have something to do in settling the isfaction that he has a feeling of dissating the winter most unprofitably. So it is with his speeches. His reputation, his appearance, take by storm his pense of the Grand Southern, as, that it will carry nothing but blueberries and grindstones, but the road may be expected to develop a better sort of traffic than these articles.

In some instances, as in those of the "Bank of Moatreal," and the "Marchant's Rank" he shuts the book he has a feeling of dissating the winter most unprofitably. So it is with his speeches. His reputation, his appearance, take by storm his addicated from 1821 to 1832, and during this time the enormous sum of \$25,000,000 was expended for military buildings and lands to the play had commenced, he was offered the use of an opera-glass. Examining it as closely as the darkness of the play had commenced, he was offered the use of an opera-glass. Examining it as closely as the darkness of the play had commenced, he was offered the use of an opera-glass. Examining it as closely as the darkness of the play had commenced, he was offered the use of an opera-glass. Examining it as closely as the darkness of the play had commenced, he was offered the use of an opera-glass. Examining it as closely as the darkness of the play had commenced the play had commenced, he was offered the use of an opera-glass. Examining it as or Alontreal, and the Merchants Bank, in at and increased dividends are paid—the former paid 2 per cent in addition to its regular 8 per in addition to its regular 8 per cent in additi 2 per cent in addition to its regular 8 per dent dividend for the year, and the latter increased its half yearly dividend in November from 3 to 3½ per cent. The circulation of the Banks, also, showed great expansion and Grand Southern would go further west and 1820, in which he turned that "hard lot of A correspondent of the London Tablet is This was a quaker's address to his watch the Banks, also, showed great expansion and attained a point never before reached. HISTORICAL SOCIETY, takes place this evening in the City Council Chamber, at 8 o'clock. There will be important business before it. A full meeting is earnestly requested. The roll of membership now numbers over forty names.

"Studholm" sends us a communication, but does not give us his nam. Without having the name in confidence of the writer we do not publish any communication. We cannot who first leaped upon the rock,"

One of Washington Irving's funny letters tells about a man who, in going home from a dinner party, at which he had taken rather too much wine, fell through an open grating into a vault beneath the sidewalk. He found to add her testimony to the thousands of others who bear witness to the efficacy of the Great German Remedy.

"Studholm" sends us a communication, but does not give us his nam. Without having the name in confidence of the writer we do not publish any communication. We cannot

We take pleasure in wishing all Merry Christmas and Joyous New Year.
