A LMOST A DAILY QUESTION: "Why do we prefer central property for our clients" The answer covers experience gained by many years of close attention to the advance of Toronto property. Most of our clients are strong financial men who prefer safe investments that will give the least possible trouble in handling. Outside properties are more speculative, hence not so suitable to our clients as central property. Confidence is steadily growing with investors owing to their success in purchasing through us. R. J. GRIFFITH & CO., 16 King-street east,
