ster fishery on the French shore of New foundland amounted to nothing and obviously formed no part of the agreement as contem-plated, whatever may be the technical conuction of the wording of it. We shall hear ore of it and there will probably be trouble

salt industry we have "a source of wealth lying dormant under our feet, simply because we are divorced in a commercial sense from the continental market, which should be ours." This is nonsense. To say nothing of the supply in York state and Michigan, there is enough salt on the Teeside in England to ast the whole world for the next 800 years, cientists. Canada's supply is infinitesimal,

mend the \$200,000 Proposition to the Council—The Subscription List. The special committee of the City Council appointed to consider the two propositions for aid to Toronto University met on Saturday morning. The Mayor presided, and there were present Ald. Moses, Brandon, Lindsey, Saunders and McDougall. City Treasurer Coady submitted this report

whereby grade crossings would be tolerable in a city the size of Toronto. Those who are 1. To grant to the university \$50,000 cash and continue the present annuity of \$6000 in pere grant of \$200,000 and discontinue the 2. The annuity of \$6000.

The first proposition, if carried into effect, compounding interest yearly at 3½ per cent, would cost the city annually for forty years as follows:

The second proposal, if carried into effect, computing interest as above, would cost the city annually for forty years as follows: Interest and sinking fund charges on \$200,000 would qual \$985.45 or \$1024.09 annually more than the first ion, amounting in forty years at 314 per cent, to

which is \$21,869.54.

I am therefore of the opinion that of the two propositions the grant of \$200,000 would be the more advantageous in the financial interests of the city, particularly as by that plan the annual grant, which in all probability forty years hence will represent a much larger capital value than it does at present, is extinguished.

ROLLY MOFFATT PLEADS GUILTY ission Is That of Embezzling The remaining charges against W. R. Moffatt were proceeded with at the Criminal Assizes on Saturday. These involved the larceny

Nov. 5, 1889, \$125; Nov. 6, 1889, \$320; Jan. 3, 1889, \$100.38. The first count consisted in charging the Ontario Bank with \$125 more than he credited the Bank of Montreal with in their pass book, and the embezzlement of \$320 on the second count was worked on the same plan. It was alleged on the third count that on Jan. 3 the Union Bank, Toronto, was height than at the last flood, when it touched Frederick C. Benwell at Woodstock, Ont. Mr. same plan. It was alleged on the third count height than at the last flood, when it touched by the defendant to instruct their branch at Ottawa to pay to "H. Howard," the sum of \$100. The money was drawn by Howard and the Ontario was charged by the Union with \$100.38. This was paid, no record, however, being made of the payment on the books of the Ontario Bank.

The case came to a sudden and unexpected end by the prisoner pleading guilty to the sum of \$100. The money was above there the reports are that it is raining and the river is rising. The Big Sandy ross that it is raining and the river is rising. The Big Sandy ross are that it is raining and the river is rising. The Big Sandy ross the paid, no record, however, being made of the payment on the books of the Ontario Bank.

The case came to a sudden and unexpected end by the prisoner pleading guilty to the paid, no record, however, being made of the payment on the books of the Ontario Bank.
The case came to a sudden and unexpected end by the prisoner pleading guilty to the charge of embezzlement after two witnesses

charge of embezzlement after two witnesses had been examined.

Upon the last count the Union Bank accountant, George Bowles, was the first witness. He swore to having received on Jan. 3 a notification from the Ontario Bank, and on the strength of this notice he telegraphed the branch at Ottawa to pay \$100 to "H. Howard." This sum, with the 38 cents for transmission, was charged to the Ontario Bank.

The witness was closely cross-examined by

context of transmission, was charged to tale on tario Bank.

The witness was closely cross-examined by Mr. Laidlaw, counsel for the defendant.

When the next witness, inspector R. N. King of the Ontario Bank, took the stand, Mr. Jaidlaw spoke for a few moments in an undertone to Mr. Irving. The prisoner, in company with his counsel, two officers and Lawyer Nicholas Murphy, then retired to an ante-room and in a few minutes all the parties came into court again.

Mr. Laidlaw, addressing Mr. Justice Mc. Mahon, said: "After consulting with my client, Mr. Moffat, who can make an explanation of the transaction which will go far to client, Mr. Moffat, who can make an explanation of the transaction which will go far to
mitigate any sentence you might otherwise
deem fit to impose, we have decided to withdraw the plea of not guilty on the third
count and to enter a plea of guilty, on the
understanding that the other two counts are
not proceeded with and that when my learned
friend makes a motion for sentence Your
Lordship will allow me, before passing sentence, to make an explanation of the transaction."

His Lordship consented to such an explan His Lordship conserved to such an expination and Mr. Irving said the crown would accept the plea of not guilty on the third count of the indictment and would not proceed with the other two.

His Lordship to the prisoner: "You with

THE DESTITUTION IN DAKOTA. subscriptions for the Sufferers to be Taken

Up by the Board of Trade.

Editor World: A few days ago there appeared in your columns a copy of a communication which the writer received from the Dakota, appealing to the Board of Trade of the Dakota, appealing to the Board of the council and I was instructed to satisfy myself as to the correctness of the statements made therein. This I have done, and thanks to the kindness of Mr. W. C. Matthews, manager in for Dun, Winnan & Co. of this city and others, I find that the destitution in the section really everything by this latter cause.

Their affliction has certainly been very severe and their case is a deserving one the marriage of his daughter to Burchell. He had looked up the latter's record as a young man at college and was greatly shocked when his daughter was opposed to the marriage of his daughter to Burchell. He had looked up the latter's record as a young man at college and was greatly shocked when his daughter ran away with should remain and the latter's record as a young man at college and was greatly him.

Not Willburg on emit me through your columns to ay to the members of the board and the public generally that by order of the council will be pleased to receive and forward subscriptions for the relief of the suffers.

I am advised that if relief is to be given it should be without delay. All subscriptions will be duly acknowledged.

EDGAR A. WILLS, Scentary Board of Trade.

Toronto, March 22.

Disappeninted of Her Martyrdom.

Disappointed of Her Martyrdom. SAN FRANCISCO, March 22.—Dr. J. M. Whitney of Honolulu, who arrived here yesterday, states that Sister Rose Gertrude, the English civil who was arriving to support whitney of Honolulu, who arrives yesterday states that Sister Rose Gertrude, the English girl who was anxious to nurse lepers at Molokai, will not become an exile in the leper settlement and perhaps die there as she anticipated. The settlement of Molokai is in charge of Sisters of the Sacred Hawaiian Government, and as Sister Rose Gertrude belongs to another order, the Dominican Sisters, she could not be admitted. She is therefore at Kalili, the reciving station for lepers or those who are supposed to have contracted the disease. There they are cared for until it can be dety termined what their ailment really is. The Whitney states that she is very comfortable at at Kalili and not isolated, though she is disappointed in her expectations.

Burchell aiso received a Moody. The address twas written in a woman's hand and on the investment of the lepers of the Sacred Systems. On the fly leaf were written in also a large number of scriptural texts, to which the prisoner was referred.

John Enwhistle of the East End was appointed special guard to-day. Enwhistle will sleep in the corridor in front of Burchell's sleeping cell and keep constant watch over him. Burchell expects Mrs. Burchell and have father to visit him on Monday.

Yesterday afternoon an instrument was referred.

Way to God," by D. L. Moody. The address was written in a woman's hand and on the investment of the leaf was the inscription: "From one who loves sinners." On the fly leaf were written in a woman's hand and on the lepers was the inscription: "From one who loves sinners." On the fly leaf was the inscription: "From one who loves sinners." On the fly leaf was the inscription: "From one who loves sinners." On the fly leaf was the inscription: "From one who loves sinners." On the fly leaf was the inscription: "From one who in the lepers was the inscription: "From one who loves sinners." On the fly leaf was the inscription: "From one who in the lepers was the inscription: "From one who in the lepers was the inscription: "From one who loves sinners." On gracious:
"Will you tell me why you pleaded guilty termined what their ailment really is. Dr. Whitney states that she is very comfortable at Kalili and not isolated, though she is disappointed in her expectations.

his cigar.

"Yes."

The prisoner, after a brief and whispered interview with one of the officers, replied: interview with one of the officers, replied: will have nothing to say," and went on with his cigar. "There is no use asking any questions," he continued. "You had better consult Mr. Laidlaw."

Mr. Laidlaw."

Mr. Laidlaw."

Mr. Laidlaw. Tount, Q.C., and Mr. N. Murphy, Q.C., will have charge of Moffatt's case. Holly, it appears, had been "kite-thying" with a clerk engaged in another bank. This and certain extenuating circumstances connected with it will be explained to Mr. Justice MacMahon when Moffatt is brought up for sentence. It is hoped by the prisoner's counsel that he will be liberated on suspended sentence.

The custom of "kiting" notes between bank clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had clarks is not a new one, and so common had the bank of the b New Water Mains. ed sentence.

The custom of "kiting" notes between bank clerks is not a new one, and so common had it become that in several of the banks peremptory orders were issued that if it were not stopped dismissal would instantly follow. Fulton, in a half-hour's address, drew comparisons between the possessions owned by
