when to charge and the control of the state of the state

hostility towards annexation and ou have Canadian sentiment on the ques-

such as they never had before. Living, he was a great Conservative—dead, he is a great Canadian. For much more than a quarter of a century he has been the unconquerable Reform difficulty, and Liberals in this generation inherited from their circumty vented sires a determined opposition to his rule. Thus it was that the Reformers in rule. Thus it was that the Reformers in opposing him through instinct, and he purng an intensely Canadian policy, they imperceptibly retreated to anti-Canadian ground. In the recent election the Opposition leaders misled their following with a als had made certain gains in the general policy that Mr. Blake conceived to be diselection simply widened the breach between policy that Mr. Blake conceived to be disguised annexation, and which he condemned more for its deceit than for its other faults, feeling that only by deceit could such a policy prevail. Professing to believe Sir John the whole substance of Conservative strength, the Liberal leaders may no longer feel the need of foreign allies—his departure may purge the Grit. Whether this be the case, time will show, but his patriotic principles have now a wider ac-Whether this be the case, time will show, but his patriotic principles have now a wider acceptance and vigor than at any previous time. There is nothing whatever to warrant the cheerful anticipations of The St. Paul Pioneer Press, as here put: "It is quite possible that the annexation of Canada to the United States, which was editorially discussed in these columns recently, may be nearer than is generally supposed." The Philadelphia Times also miscalculates in saying: "It s also miscalculates in saying: "It Sir John Macdonald both the day and the the vast responsibilities of state. way seem nearer of realization." These pa-Premier. No greater error could confuse these comments on the Canadian situation.

The Rochester Union and Advertiser, it is the logic of circumstances which they themselves can best see and appreciate, rather than any hint of the kind from this side that has given that question its present vitality. The death of Sir John Macdonald vitality. The death of Sir John Macdonald vitality. the attention given to the subject. There seemed a general feeling that the progress of Liberalism would be slower while Sir John lived." The same idea pervades the whole American press, that annexation is the ultimate aim of Liberalism, and that every weakening of the Conservative of Wales with the case. A baronet, Sir of Wales with the case. A baronet, Sir the Opposition brings annexation so much nearer. Listen to The St. Paul Pioneer most cloudless sky was certainly very remarkable, but a case of the same kind occurred in 1860 on the prairie midway between Clinton and Bloomington, in the same state. A young man was riding on a real power of the conservative of Wales with the case. A baronet, Sir William Gordon-Cumming, has been charged with cheating at cards, during a game at ground.

Thus reinforced in all the sources of its power of the surrounding oceans to be attacked by ex-ternal foes, would tour like a Colossus among the nations of the earth and furnish in the grandeur of its peaceful and prosperous destiny the con-ditions and the home of the highest and most splendid civilization ever known in the history of

This sounds very pretty, but before it comes to pass our present colonial condition must be declared impracticable for a day longer; independence, after a spirited and thorough trial, must fail us completely-imperial federation must be scored off the list as an intangible dream—then for the last resort of annexation. But Canadians are inclined to think as Bouchette thought in inclined to think as Bouchette thought in 1832: "The St. Lawrence presents to our results of its use. as an intangible dream—then for the last resort of annexation. But Canadians are 1832: "The St. Lawrence presents to our mind the trunk of a tree that has no necessary affinity with the United States, and At the closing meeting of the session of the seems destined to bear different fruit. It is sary affinity with the United States, and seems destined to bear different fruit. It is the prop of a new nation, the avenue to an Swift were appointed to visit the jail during the

shape that its thorough discussion demands that books be written, and its thorough comprehension requires that they be read. If demanded, they will be written; if written, they will be read; if read, the political situation of the politi

phlets have not that use they one enjoyed, for daily and weekly newspaper and monthly magazines have pretty well usurped the whole field, yet when questions ones or make towards alterations in the

The New Empire: Reflections upon its Origin and Constitution and its Relation to the Great Republic. By O. A. Howland. Toronto: Hart & Republic By O. A. Howland. Toronto: Hart & Company.

The day for books has dawned in Canada. The political situation has taken on such a shape that its thorough discussion demands that books be written, and its thorough com-

THE ANGLICAN SYNUD.

The Synod convened at 10 o'clock in the

ton, D.C., bringing with her a five-pound box of candy, which she had bought at a Pennsylvania-avenue candy store. She passed rennsylvania-avenue candy store. She passed the candy around among the children and was eating some herself when her teeth struck a hard substance. In a second there was an explosion which shattered her teeth, tore away part of her cheek and otherwise disfigured there face. Bits of fulminate and of copper were thrown around.

The reported discovery not long since of a secret movement on the part of certain public men in the States and several prominent annexationists in the Dominion created quite a stir, but more recent attention is more strongly directed towards an invasion of Canada for the avowed purpose of conquest. Some serious apprehension might arise from the bare announcement but for the fact that the invasion refers to the recurring visit of the state and condition of perfect health, robustiates and condition of perfect digestive vigor and long life. Sufferers who have not yet tried this justly oppular and well-known bridge of escape difference in the recommendation of the report of the fact than the recommendation of the report of the recommendation of the rection of the recommendation of the recommendation of the recommen

At the regular meeting of the Army and evening three names were proposed as mem-bers, and Mr. McGee, the chairman of the bers, and Mr. McGee, the chairman of the committee appointed to make arrangements for the tournament of the 20th, presented his report. It stated that about \$1000 in prizes have been contributed, that free admission will be given to the children of the various orphans' homes, that a flag valued at \$25 will be offered for the best school drill corps and that three bands will be present—the School of Infantry's, the Grenadiers' and the

Army and Navy's. Where is Mr. Crabb? VICTORIA, B.C., June 10.—Superintenden of Police Sheppard has received a communi-cation from W. T. Boyd of Toronto seeking information respecting a Mr. John Crabb, who with his wife Martha formerly kept an hotel at Chatham, Ont., and removed Victoria some years since.

Mrs. W. J. Lang, Bethany, Ont., writes: "I was one of the greatest sufferers for about fifteen months with a disease of my ear similar to ulcers, causing entire deafness. I tried everything that could be done through medical skill, but without relief. As a last resort I tried Dr. Thomas' Eclectric Oil, and in ten minutes found relief. I continued using it, and in a short time my ear was cured and hearing completely restored. I have used this wonderful healer successfully in cases of inflammation of the lungs, sore throat, coughs and colds, cuts and bruises, etc.; in fact it s our family medicine,

Mercenary. For fun some men write poetry, For fame some others try, For love some sing about the stars, The birds and azure sky. For pastime some spin out the verse, For evil some write rash, But I am different from these folks: I write my lines for cash.

Perhaps my verse is not so smooth As other bards sublime.

My meter may be rather strange, My lines may not just rhyme, But if my style of poetry With other poets clash, I'd like them just to bear in mind I write my lines for cash.

One of the most extraordinary cases One of the most extraordinary cases in medical annals is that of Miss Tolleson, a student in Memphis, Tennessee. The young woman was attacked with tonsilitis, ner temperature rising to 106 and then to 108, her death being momentarily expected, but to the utter consternation of the attending physicians, her temperature continued to rise steadily to 158 Fabrenheit, breaking the record also saveral thermometer, which record, also several thermometers, which could not record any higher. Strangest of all is the fact that the young woman is im-proving and may recover. There is but one THE BAILEY CASE.
