departments, held strictly responsible gain, to the Americans, taunting the for every act; in addition to this, a Board of Administration to thoroughly 15 investigate the actions of these officials, and, finally, a council whose par-

ticular duty would be of a legislative .5 character.

MAY YET RIVAL SOUTH AFRICA. A perusal of the mining journals of British Columbia convinces one that that province has just entered upon an era that will be characterized by a wonderful development of her mining resources. There are half a dozen mining journals in the province and they all are highly optimistic of" the future. The capitalists of England and Europe seem to know a good deal more about the mineral richness of British Columbia than do the people of Canada. Hon. Mr. Turner, Premier of British Columbia, is authority for the 1,59 statement that the following gentlenen are among the shareholders of the
