

**—ask the Men
who wear them**

THE Greatest Boosters for 20th-CENTURY Brand Clothes are the men who have been wearing them for years. Now and then they try another make—and get caught—but they come right back to the 20th Century Brand—back to the clothes that fit, keep their shape and make them feel comfortable in any company. The New Fall Fabrics for special measures are here. They show another remarkable reduction in price. May we show them to you?

**New Fall
MILLINERY**

THE New Models for Early Fall wear are now on display. The velvet and feather shapes are very chic and most popular for present wear.

Miss Holmes will be pleased to show you the new creations.

IN MEMORIAM

In memory of Nellie Pyke. Another one has passed away. Gone beyond our sight; Yet we feel, and all as one, That Christ does all things right. Thou 'art gone, Dear Nellie, where all must go. But we trust to meet above; A few more joys a few more tears And then we too shall be removed. Away from all those earthly griefs To a home not made with hands, Where we shall with you join In singing praises to the Lamb. So farewell, Dear Nellie, for a little while, Your time on earth is spent, We all shall miss your smiling face And your loving friendly voice. One by one we each are going To that Land beyond the skies, May we each be reunited With our loved ones, by and by. Lines written by husband, brothers and sisters.

**PAINFUL NEURALGIA
TORTURING SCIATICA**

Both Come From the Same Cause—Thin, Watery Blood.

Most people think of neuralgia as a pain in the head or face, but neuralgia may affect any nerve in the body. Different names are given to it when it affects certain nerves. Thus neuralgia of the sciatic nerve is called sciatica but the character of the pain and the nature of the disease are the same. The pain in neuralgia is caused by starved nerves. The blood which carries nourishment to the nerves has become thin and impure and no longer does so, and the pain you feel is the cry of the nerves for their natural food. You may ease the pains of neuralgia with hot applications, but real relief from the trouble comes by enriching and purifying the blood. For this purpose Dr. Williams' Pink Pills are strongly recommended. These pills make new, rich blood and thus act as a most effective nerve tonic. If you are suffering from this most dreaded of troubles or any form of nerve trouble, give these pills a fair trial, and note the ease and comfort that follows their use. You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**GUARD BABY'S HEALTH
IN THE SUMMER**

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic, diarrhoea and dysentery, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to banish them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
